HomeServe USA Repair Management Corp.

[Beloit, WI] – City of Beloit utility customers may have received a solicitation from the HomeServe USA Repair Management Corp. HomeServe USA is offering an extended service plan that purports to pay for repairs or replacement of your water and sewer service lines.

The City of Beloit has researched HomeServe USA and has determined that they are not accredited with the Better Business Bureau nor are they licensed through the Wisconsin Office of the Commissioner of Insurance which is required for them to offer such a service plan in Wisconsin. The Commissioner of Insurance has informed the City it intends to investigate these activities.

The City of Beloit does not endorse HomeServe USA and recommends homeowners properly investigate all unsolicited requests for warranty or repair services.
