MEMORIAL DAY HOLIDAY INFORMATION

The United Veterans Memorial Day Parade will begin in Beloit at 9:00 a.m. on Monday, May 27, 2013. We remember and thank all veterans who have served in the United States Armed Forces.

City Hall and the Beloit Public Library will be *CLOSED* on Monday, May 27 in observance of the Memorial Day holiday. City of Beloit residents are reminded that trash and recycling collection will be delayed by one day the week of May 27, 2013 in observance of the holiday. There will be no trash or recycling collection on Memorial Day.

The Recycling Drop Off Center at 2351 Springbrook Court will be *CLOSED* on Saturday, June 1, 2013 to accommodate equipment/staff needs for Saturday trash/recycling collection.

VETS ROLL

Once again, the Greater Beloit community turned out on the evening of Wednesday, May 22 to give the Veterans an extremely warm "welcome home" as part of their return from Washington, D.C. The group visited and toured both the WWII and Korean Conflict Monuments. I was honored to be a part of the program, welcoming all of the Veterans back to Beloit and thanking them for their service to our country. Once again, we thank all those who turned out to share this significant evening with returning Veterans.

SPRING TREE PLANTING AVAILABLE

The City's Department of Public Works would once again like to remind everyone they are now accepting requests from residents for terrace trees to be planted this spring. Species will be determined by the City Forestry Supervisor. There is no cost and trees will be allocated on a first come, first served basis. For additional information, please contact the Department of Public Works at (608) 364-2929. All requests must be received by Friday, May 31, 2013 to participate in the spring planting for this year.

FRIDAYS IN THE PARK

The "Fridays in the Park" noon luncheons and entertainment event started this Friday and will continue throughout the summer season with a different restaurant and different entertainment each week. The events this year will be held in Gantry Park which is located directly across the street from the First National Park Plaza. The first event held earlier today was well attended. If you are available in the downtown area on Fridays, please stop by to enjoy lunch with the Downtown business community.

GOT ART! EVENT

Just a reminder, the "Got Art!" event is scheduled for June 5th -15th. A number of arts related events are scheduled to occur throughout the City of Beloit. For more information on Got Art! and the events that will be sponsored during that period of time please click [[here](#)].

2014 BUDGET PROCESS

The CIP Review Committee met this week for a first look at the proposed 2014 Capital Improvement's Budget. There are always more projects than there are available funds. Next week, the committee will meet with representatives from the various departments and divisions that have submittals, and we will begin to "size" the budget to match projected available revenue for infrastructure upgrades in 2014.

CITY REVENUE BOND REFUNDING BID REJECTED

Based on a recommendation from Ehlers, our financial consultant, the City opened bids this past Wednesday on a refunding of approximately \$1.4 million in storm water bonds. The consultant recommended that this be done off of the Monday schedule because of a number of bids that were outstanding for that particular date. The resolution authorizing the bidding process included certain parameters that would need to be met in the bidding in order for an award to be made. The City received only one bid and, while the interest rate was attractive, the bond discount was higher than anticipated, thereby failing to meet the parameters included in Council's resolution. Consequently, the bid was rejected and the consultant will be doing some additional research to determine whether or not it would make financial sense for the City to rebid the refunding for this bond issue in the near future. If the consultant determines that it is still advantageous, then an additional resolution will appear on a subsequent Council agenda authorizing the rebid process.

PLANNING CONTINUES FOR THE I-39/90 WIDENING AND I-43 INTERCHANGE RECONSTRUCTION

This past week, we had yet another meeting in Madison with the design team who is working on the 39/90 widening, which includes the I-43 Interchange reconstruction. At the meeting, we continued reviewing design options, which were requested by the Federal Highway Administration before they can allow the consultants to complete the interchange design alternatives. While we reviewed and commented on the material submitted, we still do not have a final set of design alternatives for this interchange. We will be meeting again in June to continue work on this process which, unfortunately, has taken considerably longer than initially anticipated.

LEGISLATIVE ACTIVITIES

As noted last week, the City Manager spent all of Wednesday, May 22, 2013 in Madison engaged in various legislative activities. We had our Lobby Day meeting in the morning and I met with three of our four elected representatives, along with a staff person from the fourth office to go over a number of issues of importance to municipalities across Wisconsin. Following the meeting, we reconvened for this year's annual legislative luncheon. Governor Walker was the key note speaker this year. Before the Governor spoke, he did meet briefly with the Board of Directors for the League and we had an opportunity to speak with the Governor. Most of the discussion centered around economic development and job creation initiatives currently underway in the State. The Urban Alliance met after the luncheon and we had an additional update on various legislative initiatives underway in the Capitol, most of which center around various elements of the State's proposed biennial budget, which is currently under review by the Joint Finance Committee. All in all, it was a productive day and time well spent discussing issues with concern to Beloit and other municipalities.
