BUDGET PRESENTATION—FULL DAY WORKSHOP ON MONDAY, OCTOBER 14

The completed proposed 2014 Capital and Operating Budget was presented to the City Council and the community this past Monday evening at the regular City Council meeting. This coming **Monday, October 14, 2013**, the Council will convene a full day workshop, beginning at 8:00 a.m. in the Community Room at the Beloit Public Library, 605 Eclipse Blvd. [Attached](#) is a copy of the meeting notice, along with an agenda of presentations. The entire workshop will be open to the public.

The formal public hearing on the budget document will be held in conjunction with the regular City Council meeting on **Monday, October 21, 2013** beginning at 7:00 p.m. in the City Hall Forum, 100 State Street.

I-39/90 WIDENING/I-43 INTERCHANGE RECONSTRUCTION

The Wisconsin Department of Transportation, working in close consultation with the Federal Highway Administration and with representatives from the City of Beloit, continues to explore different design options for the proposed reconstruction of the I-43 Interchange as part of the I-39/90 widening and modernization project, which will begin in a few years. The conceptual design process has taken somewhat longer than originally anticipated, although the Department of Transportation is being very careful to make sure that all of the options and alternatives they ultimately present for consideration have at least conceptual approval from the Federal Highway Administration. At a meeting held last week, we reviewed four different options for how the interchange could be configured and those are being submitted to the Federal Highway Administration for their preliminary analysis. Hopefully that process will be completed yet this fall so that we can present the long awaited interchange alternatives to the Greater Beloit community, including stakeholders who have businesses or property close to the interchange.

I want to assure the community that there will be multiple options presented for review and consideration before the Department of Transportation and the Federal Highway Administration make any final decisions with regard to how to configure this interchange.

FALL LEAF COLLECTION

Please find the [attached](#) press release from the Beloit Fire Department reminding residents that, at no time of the year, is open burning of leaves or other yard waste permitted anywhere within the City of Beloit.

At the City Council meeting on Monday, October 21, 2013 the Public Works Department will be reporting to the Community on the City's Fall Leaf Collection Program. As in prior years, free yard waste collection of leaves and other fall yard waste will be begin on Monday, November 4 and continue through Friday, November 22, 2013. Free collection includes bagged leaves, grass clippings and other garden debris, provided it is properly containerized in either paper or natural bio-degradable bags or clean trash containers.

Brush and shrubbery that is trimmed and bundled will be taken; however, the normal \$1.50 yard waste tag must be attached to each bundle (no larger than 4 ft. long and/or 4 inches in diameter) placed at the curb for collection.

The Public Works Department also maintains a Leaf Vacuum subscription service in the fall for those having more leaves than can reasonably be raked and bagged for collection. For more information regarding the fall leaf program or the subscription service, please contact Public Works at 364-2929 or view the [attached](#) informational sheet.

FALL TREE PLANTING

The City of Beloit's Department of Public Works is now accepting requests from residents for terrace trees to be planted this fall.

The terrace tree species selection will be determined by the City Forestry Supervisor while taking into account the size of the terrace, presence of utilities and exotic invasive insects. Trees will be planted on a first-come, first-served basis. Public Works will accept requests through Friday, October 18, 2013. To be placed on the list, please call the Department of Public Works at 364-2929.

BELOIT POLICE DEPARTMENT RECEIVES GRANT

David Pabst, Director of The Bureau of Transportation Safety announced a \$35,000 reimbursement grant for the Beloit Police to use officers on overtime, enforcing alcohol laws on the roadway. The grant runs from October 1, 2013 through September 30, 2014.

In the past, Beloit Police used these funds for hiring back officers in groups to patrol for alcohol related violations. These officers only work to catch violators and deter alcohol related violations. Social media will be used to announce these patrols. To sign up to receive email and text messages and alerts from the Police Department and other public safety agencies in your area, please click [here](#).

HALLOWEEN COSTUME PARTY AND PARADE

It's not too early to be thinking about the upcoming Halloween costume party and parade in downtown Beloit. This event is held each year, beginning at Horace White Park and parading through downtown in conjunction with the final Saturday of the Farmer's Market season. This year, the event will be held on Saturday, October 26, 2013. Please see the [attached](#) poster for more information and get your costume ready for this fun event!

EDWARDS ICE ARENA ANNOUNCES 2013—2014 SCHEDULE OF EVENTS

Please see the [attached](#) brochure announcing the schedule of public skating times, as well as other relevant events related to operation of the Ice Arena for the 2013—2014 season. For more information, please contact the Leisure Services Office at 364-2890.

CITY MANAGER TO ATTEND THE LEAGUE OF WISCONSIN MUNICIPALITIES CONFERENCE AND BOARD MEETING NEXT WEEK

FOR IMMEDIATE RELEASE

With leaves beginning to fall, the Beloit Fire Department has issued a reminder that burning within the city limits is prohibited year-round.

In place of burning, the city will offer free curbside collection of yard waste on regular trash days Nov. 4-22. Free collection includes bagged leaves, grass clippings and garden debris in paper yard waste bags, Back To Nature Biodegradable bags or clean trash containers. No litter is allowed in the yard waste and the bags should be placed a few feet away from regular trash on trash day.

Brush and shrubbery can be bundled or tied for curbside pickup, should be no longer than 4 feet long or 4 inches in diameter, and must contain a \$1.50 tag. Tags for bundles are available for sale at the City Hall Treasurer's Department, Department of Public Works, Grinnell Hall and the Leisure Services Office.

Blowing or raking leaves into the curb and gutter is against city ordinance.

For more information on yard waste pickup call the Beloit Department of Public Works at 364-2929.

There are a few exceptions to Beloit's burning prohibition, including allowance for safe use of outdoor grills for preparation of food, and use of permanent or portable outdoor fireplaces with screens to prevent the escape of burning embers. Only dry wood logs must be used in the outdoor portable or permanent fireplaces, while only wood, charcoal, gas or electricity should be used for grilling food. Outdoor cooking is prohibited between 10 p.m. and 7 a.m. in residential areas. Fires in outdoor grills should be limited to times when the wind is less than 15 mph.

Special burning permits may be requested of the fire chief. For more specific information on outdoor burning call the Beloit Fire Department at 364-2900.
