## Grease Trap and Catch Basin Log Sheets

- Please record all cleanings, maintenance, or repairs to your interceptor(s)
- This record will be viewed at the time of inspection
- Please post the log sheet near your interceptor
- The City of Beloit Environmental Staff hands out log sheets printed on fluorescent green paper for easy visibility (see second sheet). A black and white sheet is available for copying purposes (see last sheet). You may copy this form as needed.
- Log sheet records must be kept on site for a MINIMUM of 3 years

See the City of Beloit's website, chapter 29.04 section 3 for the most updated regulations.
