FROM: Brian Ramsey, Director of Parks & Leisure Services
DATE: June 2, 2014

*RE:*   *PUBLIC PLAYGROUND MEETING*

The City of Beloit Parks & Leisure Services Division is planning on replacing the Playground equipment in Townview Park this summer, and invites all local residents that reside near this park to attend a Public Playground Meeting and to pick your favorite playground design for this park!

The Parks & Leisure Services Division recently received a total of thirteen (13) various proposals as submitted by seven (7) separate playground vendors for consideration in Townview Park. Through and evaluation system designed by the City, the Playground Review Committee has narrowed down the selection process to determine the top two (2) finalist. The purpose of the Public Playground Meeting is to invite local residents, especially those with children, to attend a short presentation where the playground vendors will highlight the best attributes of their playground and encourage you to vote for their design. At the conclusion of the presentations, all residence in attendance will have an opportunity to cast their vote for their favorite playground design that they would like to see the City purchase and install in Townview Park.

Therefore, if you are interested in selecting the playground for Townview Park, please plan on attending this public meeting at 6:00pm on Wednesday, June 4th, 2014 in the Clubhouse at the Krueger Haskell Golf Course, located at 1611 Hackett Street, Beloit. Please call the Parks & Leisure Services Administration Office at 608/364-2929 if you need any further details regarding this meeting and your opportunity to participate in selecting the new playground for Townview Park.
