SPECIAL CITY COUNCIL MEETING ON MONDAY, JUNE 30, 2014 AT 6:00 P.M.

The [Special City Council meeting](#) will be held in the City Hall Forum on **Monday, June 30, 2014 beginning at 6:00 p.m.**

The first item will be a resolution approving an amended **Development Agreement** with NorthStar Medical Radioisotopes. The company approached the City a few weeks ago with a notification that they planned to proceed to construction yet this summer on the first phase of a series of buildings and building additions which will ultimately comprise the entire NorthStar site. City staff has been working with the company's design team on getting their site and building plans finalized so that construction can begin on the earliest possible date.

One additional item that needed to be reworked was the Development Agreement. A number of provisions related to the timing and phasing of development have changed since the original agreement was executed back in 2011. The resolution that is attached to the Council packet explains many of the proposed changes and the actual proposed amended language is also attached. The project is still near its original size and scope in value, but will be built out over a series of years as the company moves through the process of obtaining its final approvals, beginning production and, of course, building its market for this new product.

The special meeting will be adjourned and Council will convene a workshop. The following write up outlines the general topic of discussion.

WORKSHOP SCHEDULED FOR THIS MONDAY, JUNE 30, 2014 REGARDING MUNICIPAL COURT FINES AND SANCTIONS RELATED TO JUVENILE OFFENDERS

Several weeks ago, a group of residents approached the City Council, concerned about the process used by the Municipal Court to sanction juvenile offenders for various offenses. City staff, in consultation with the Municipal Court, have been researching and preparing information related to the subject. A [Council workshop](#) will be held on **Monday, June 30, 2014 beginning at 6:30 p.m.** in the Forum at City Hall, 100 State Street to further discuss this topic. Representatives from the City and the Municipal Court will give a presentation on the numerous programs and alternatives available for repeat juvenile offenders, and will explain more about court operations, as well as the truancy and day time curfew enforcement. There will be ample opportunity for questions and discussion. The City Council, of course, will be present to participate in the discussion.

SUMMER LIBRARY CLUB AT THE BELOIT PUBLIC LIBRARY

The Beloit Public Library is offering many events throughout the summer for adults, teens and children. Please see the [attached](#) flyer for more information on these fun activities and reading opportunities.

WHAT IS “EMERALD ASH BORER”?

UW-Extension Rock County is offering several informative discussions regarding the Emerald Ash Borer, recently discovered in Rock County. If you're interested in learning more about EAB, please attend one of the workshops at various sites throughout Rock County. Please see the [attached](#) poster for more information.

BIKE RACES RECEIVE A WARM WELCOME

The Tour of America's Dairyland Bike Races, held in Beloit this past Monday, went well with no serious mishaps. The City received compliments throughout the day by organizers, racers and other participants, for not only the warm welcome, but also the very high quality venue provided in downtown Beloit.

The crowds varied throughout the day. I attended late in the afternoon, made a few comments, and had the opportunity to ride a few laps in the pace car. I also made the rounds and talked to several of the merchants (particularly the restaurant operators) who were happy with the additional patronage generated by the event. The level of fan support varied throughout the day with more people coming out to enjoy the late afternoon races, which are the more professional level events. Hopefully the Tour of America's Dairyland will return again next year and build patronage, as more and more people become aware that the City is hosting professional level bike racing in our beautiful downtown.

BUDGET PREPARATION

The City's Capital Improvements Budget Committee met virtually all day on Tuesday of this week, reviewing capital expenditure requests from the various departments and divisions. 2015 will be one of the smaller capital spending plans in recent memory because of the minimal amount of General Obligation debt capacity we have available for this coming year. The City's dropping equalized assessed valuation in recent years has curtailed debt capacity available for Capital expenditure, thereby eliminating the amount of projects, including street resurfacing, that can be completed this coming year. With this first phase of review completed, the committee will await announcements in mid-July from the State's Department of Revenue on the final equalized assessed valuation number for the City, which will then be used to update our projection on available debt capacity for 2015. The proposed Capital spending budget will then be completed so that we stay within policy regarding plans for 2015.

NEIGHBORHOOD REVITALIZATION COMMITTEE

The City's Neighborhood Revitalization Committee met this past Wednesday and reviewed the status of the Neighborhood Stabilization Program, as well as engaged in some preliminary discussion and planning for the property tax foreclosure process, which has already been initiated by Rock County. I am very pleased to report that we have sold all but one of the homes done under both Phases 1 and 3 of the Neighborhood Stabilization Program. This was particularly good news, since some of these homes have sat on the market for over three years, waiting for a qualified buyer. Once again, this is further anecdotal evidence that the City's residential real estate market has begun a significant revival.

We also went through the initial list of property tax foreclosures anticipated for later this year. Once again this year, the list is extensive, although there are always a few of the homes that are redeemed by the owners at the very last second before they move forward for tax foreclosure and resale. Still, there will be more properties than the City will be able to afford with its limited budget for acquisition. As we have done in past years, City staff has already begun an analysis of all of the properties and we will likely bring forward those in

the worst condition, many of which have already been generating complaints within the impacted neighborhood. Those properties will, of course, be purchased for demolition. Homes that are in better condition and are rehabbable will be passed through the auction process in the hopes that a purchaser will be found to remodel and reuse those properties. More information will be coming forward later this summer as the process evolves.

UPDATE ON LABOR NEGOTIATIONS

The City met with our labor relations attorney and also with our group health insurance consultant this past Wednesday to discuss various aspects of the labor negotiations currently underway. The City has also scheduled a [Closed Session Special Meeting](#) with City Council for **Tuesday, July 1, 2014 at 6:00 p.m.** to meet with the City staff and consultants regarding the status of the Collective Bargaining process. The Closed Session meeting will be held in the City Manager's Conference Room on the 4th floor and no announcements are anticipated.

INDEPENDENCE DAY INFORMATION

City Hall and the Beloit Public Library will be closed next Friday, July 4th in observance of Independence Day.

Trash and recycling will not be collected on Friday, July 4th in observance of Independence Day. Trash and recycling collection will be delayed by one day, Friday July 4 and Saturday, July 5. The Recycling Drop Off Center at 2351 Springbrook Court will be closed on Saturday, July 5 to accommodate equipment and staffing needs for collection on Saturday.

MUNICIPAL COMMITTEE VACANCIES

Please take a look at the vacancies currently available to determine whether or not you would have an opportunity to serve on any of these committees. Over 120 citizens volunteer to serve on municipal advisory committees in an effort to make our community a better place to live.

Vacancies currently exist on:

2014 Teen Summer Library Club - June 16-July 28

Get Creative Events:

Monday, June 16 from 5-6:30 p.m.

Kickoff event: T-shirt event

(sharpie tie-dying and bleach markers)

Monday, July 7 from 4:30-5:30 p.m.

Marshmallow Madness

What could be more fun than an event full of marshmallow madness? We'll make marshmallow art, play marshmallow games, and maybe even have a contest involving – you guessed it – marshmallows.

Monday, July 28 from 5-6:30 p.m.

Closing "Maker" event

Let's wind down from a fun summer and get creative. We'll have duct tape, a rainbow loom, supplies to dazzle plastic toys (sparkly, feathered dinosaurs, anyone?), and more.

YU-GI-OH!

Yu-Gi-Oh and Gaming Club
Tuesdays from 5:30-6:30 p.m.
June 3-July 29

Bring your own cards, and the library will provide space and a snack. Other board and card games will be available, as well.

Reading for fun and prizes!

Grand prizes: \$75, 50, 25 VISA gift cards. In addition, smaller prizes are given out at the end of each reading time period.

- Starting Monday, June 16 sign up at the Adult Reference Desk.
- For every book you read, fill out an entry slip.
- At the end of every period there will be a drawing for prizes.
- The more you read, the better your chances of winning a prize.
- To qualify for an entry into the grand prize drawing, you must submit an entry slip for all three reading periods.

Reading Time Periods

June 16 – 28, June 30 – July 19, July 21 – July 31

The Teen Summer program and prizes are supported by FABL (Friends At Beloit Library)
