SEX OFFENDER COMMUNITY NOTIFICATION MEETING

DATE OF MEETING: January 6, 2015
TIME OF MEETING: 6:00 P.M. – 8:00 P.M.
PLACE OF MEETING: Beloit City Hall Forum
100 State St. Beloit

PURPOSE OF THE MEETING: To provide information and education to the citizens of Beloit about the return of a convicted sex offender to the Beloit area.

Wisconsin State Statute 301.45 (Act 440), the Sex Offender Registration and Community Notification Law, designed to enhance public safety and protection, took effect June 1, 1997. The attached Sex Offender Information Bulletin is being circulated in your neighborhood in the interest of increased community safety. The bulletin may contain information which parents may find unsuitable for sharing with elementary school age children.

The Sex Offender Information Bulletin is not intended to create fear or panic in the neighborhood. It is intended to increase awareness, and to emphasize the need to practice protective behaviors with your children. The purpose of the community meeting is to provide you with information and education. At the community meeting, members of the Department of Corrections, Department of Health Services and the Beloit Police Department will provide the following information regarding:

- Sex Offender Registry and Notification Law
- Sex offenders in general
- The subject named in the bulletin
- The Beloit Police Department's response plan related to the offender's return to the community
- The DHS supervision plan
- How to protect your children from sex offenders and how to discuss protective behaviors with your children

The meeting will conclude with a question and answer session.

The purpose of the bulletin and the community notification meeting is NOT to harass or to further punish the offender, nor hamper the offender's chance of reintegration into the community. The bulletin and the notification meeting are also NOT intended to further traumatize the offender's victims.

The subject identified in the Sex Offender Information Bulletin has been duly released from secure custody, having served the term of incarceration prescribed by the sentencing judge. Because of the nature of his convictions, the offender does have a reduced expectation of privacy. He has, however, the same civil and constitutional rights as other citizens of Rock County. The Beloit Police Department will NOT tolerate threats, harassment or acts of vigilantism against the offender, his family or his residence.
