On behalf of Teen Task Force Committee of Beloit, the Stateline Boys & Girls Club, and the City of Beloit Parks & Leisure Services Division will host a special event for Beloit Teens at the Boys & Girls Club on Saturday, January 24, 2015. The purpose of the "Party at the Club" special event is to provide a safe and fun activity for teenagers in our community, as well as an opportunity to introduce them to all the variety of activities offered by the Stateline Boys & Girls Club.

This special event will actually offer two (2) separate parties for local youth; one for 7th & 8th Graders from 5:00-7:00pm, and another from 8:00-10:30pm for High School age students (9th-12th Grades). Both of these parties will be held at the Stateline Boys & Girls Club located at 1851 Moore Street in Beloit where numerous activities are planned for their entertainment, including a DJ spinning hip hop tunes, an 25' tall Climbing Wall, "Knockerball" fun, plus all the other amenities within the Boys & Girls Club; billiards, ping-pong, air-hockey, and the opening of the new Bryden Teen Activity Room with an X-Box and other video gaming. Pizza, chips, and other refreshments will be served as a quick snack for those with growing appetites. Don't forget to sign-up at the door for our free give-a-way raffle prizes, including free bowling certificates for Diamond Lanes Bowl, free sandwich coupons at Cranston Road Subway, and free admission to Open Skate at the Edwards Ice Arena, plus a chance to win the grand prize, a set of Beats by Dre Headphones.
