The announcement was made at a press conference in Beloit by John W. The agencies represented by these officials, along with the Rock County District Attorney's Office and the Bureau of Alcohol, Tobacco, Firearms and Explosives, comprise the members of G-ROC, a task force formed through the Federal Bureau of Investigation's Safe Streets Violent Crime Initiative, to address gang and drug-related violence in Rock County through the coordination of investigations among local and federal law enforcement agencies.

The individuals arrested today were charged in sealed complaints filed in U.S. District Court in Madison earlier this week. Following the arrests, the complaints were unsealed. Four of the defendants are scheduled to make initial appearances in federal court this afternoon.

United States Attorney Vaudreuil praised the coordinated efforts of the G-ROC Task Force which resulted in today's charges, saying, "The U.S. Attorney's Office is dedicated to working with local, state and federal law enforcement agencies to remove violent, repeat offenders from our communities."
