**CITY OF BELOIT STREETS TO BE RE-PAVED**

Beloit, Wisconsin (June 12, 2015) - The City of Beloit has contracted with Rock Road Companies to do mill and resurfacing on 34 blocks of city streets. This is a two phase project with the first phase being the removal of the existing driving surface. The second phase, that usually occurs within a couple of days of milling, is the placement of the new asphalt surface. The work will begin on Wednesday, June 17<sup>th</sup>.

The streets involved include:

Bushnell St.	Central Ave	to	Milwaukee
E.Grand Ave.	Pleasant	to	Park
Garfield Ave.	Whipple	to	Burton
Hackett St.	Vernon	to	St Lawrence
Highland Ave.	Townline	to	Ritsher
House St.	Hackett	to	Mckinley
Lincoln Ave.	Roosevelt	to	Portland
Milwaukee Rd.	Bushnell	to	Edan
Post Rd.	Prairie	to	Sunshine
Sunshine Ln.	Elmwood	to	Post
Vernon Ave.	Moore	to	Townline
Lincoln Ave.	St Lawrence	to	Roosevelt
Northgate Dr.	Butlin	to	Prairie

Drivers should use caution when driving in these areas. If possible, avoid these blocks when you see construction activities ahead. Questions about this project may be directed to the City Engineer at 364-6690.
