Have you received your new carts? They're being delivered to residences between May 23 and June 4. Residents are instructed to look for a packet of information that will be hanging inside the cart lid that will include a collection map and calendar, and instructions on how to use the new carts. If you did not receive your packet of information, it is available [here](#).

**Automated collection begins on Monday, June 6, 2016.** Please don't begin using the carts until June 6th.

Do you have any questions? The City of Beloit Public Works website can answer many of your questions: <http://www.automatebeloit.com/> On that website, you can check your address for collection days and choose to sign up for reminder alerts, which can be received via text message, phone call or email!

# BELOIT WE'RE ON A ROLL

## Introducing Beloit's Automated Collection Program

The City of Beloit will be starting Automated Solid Waste Collection on June 6, 2016. This is a system where garbage and recycling carts are emptied utilizing a mechanical arm attached to the truck, instead of workers lifting and emptying containers and bags by hand.

### Why is this program being implemented in Beloit?

- The carts are easy to wheel and will be more convenient for residents.
- There will be no increase in Solid Waste fees as this program gains efficiency.
- We will utilize fewer trucks, and will reduce our carbon footprint.
- It's safer for city workers and reduces workplace injuries.

### Automated Collection Program Details

- Between May 23–June 3, 2016 each residence will be supplied with two 96-gallon wheeled carts. The garbage has a black lid, and the recycling cart has a gray lid. You must start using the carts the week of June 6, 2016, not before.
- On your weekly collection day carts should be placed by the curb (on or off the street), no more than 3 feet from the curb or road edge. Placement of carts will vary by residence. Place carts at least 3 feet apart, with the open side of the lid facing the street and the handle facing your residence.
- **New!** Recycling will be collected every other week. You can co-mingle all your recycling in the cart, nothing needs to be separate.
- When your carts are delivered in May you'll receive a packet of information including a calendar and map with collection routes.
- Ensure access to the carts is not blocked by cars or mailboxes. Be sure you provide room for mail trucks to deliver mail.
- **New!** Garbage and recycling that is not placed in the carts will not be picked up. Garbage must not be overflowing from the cart and the lid must be substantially closed or it won't be emptied by the truck. High volume charges are eliminated.
- Carts other than those provided by the City of Beloit will NOT be emptied once automated collection has begun.
- Extra trash carts are available for an additional \$14 monthly charge that will be added to your utility bill. You may receive one additional recycling cart at no charge.
- If you move, please leave the carts behind. Carts are the property of the City of Beloit and must remain at the property or address to which they are assigned. Do not write house numbers or other markings on the carts.
- Department of Public Works will be responsible for repairs to carts. Residents are responsible for taking good care of them. Please keep them clean and properly store them on the side or back of your residence, or in your garage.
- **New!** As of June 6, 2016, bulky items & appliances must be prepaid and prescheduled for curbside pickup, fees remain the same.
- **New!** You may rent a dumpster from the city if you have excess items for disposal.
- **New!** As of January 1, 2016 televisions dropped off at the recycling center will cost \$5 per unit.
- **New!** As of June 6, 2016 the City of Beloit will no longer be participating in the sharps collection and disposal program.

# BELOIT VAMOS PROGRESANDO

## Introduciendo el Programa Automatizado Para La Recolección De Desechos Sólidos de Beloit

La ciudad de Beloit estará implementando el Programa Automatizado Para La Recolección De Desechos Sólidos, el 6 de Junio del 2016. Este es un sistema en el cual, los botes de basura y reciclaje se vacían utilizando un brazo mecánico unido al camión, en lugar de que los trabajadores levanten y vacíen los botes de basura y las bolsas a mano.

### ¿Por qué está siendo implementado este programa en Beloit?

- Los botes son fáciles de rodar y será más conveniente para los residentes.
- No habrá aumento en las tarifas de pago de desechos sólidos mientras este programa gana eficiencia.
- Utilizaremos menos camiones, y reduciremos nuestra huella de carbono y contaminación.
- Es más seguro para los trabajadores de la ciudad y reduce los accidentes de trabajo.

### Detalles del Programa De Recolección Automatizado

- A finales de mayo, a cada residencia se le otorgarán 2 botes con ruedas, de 96 galones: El de la basura con tapa negra y el de reciclaje con tapa gris.
- En nuestros días de recolección semanal, los botes de basura deberán ser colocados en la curva (en la calle o sobre ella), a no más de 3 pies de la curva o el borde de la calle. La colocación de los botes puede variar de acuerdo a las residencias. Coloque los botes a por lo menos 3 pies de distancia, con el lado abierto de la tapa viendo hacia la calle y el mango viendo hacia su residencia.
- **Nuevo!** El reciclaje se recolectará una semana sí, y una no. Usted ya no necesitará separar el cartón y el papel.
- Cuando sus botes le sean entregados en mayo, recibirá un libro con información, incluyendo un calendario y un mapa con las rutas de recolección.
- Asegúrese de que el acceso a los botes de basura y reciclaje no sea bloqueado por automóviles o buzones de correo. Asegúrese de proveer suficiente espacio para que el camión del correo pueda entregar el correo.
- **Nuevo!** La basura y el reciclaje que no estén dentro de los botes, no se recogerá. La basura no deberá sobresalir del bote y la tapa deberá estar completamente cerrada o no será vaciado por el camión. Las cargas de gran volumen serán eliminadas.
- Los botes que no sean los otorgados por la ciudad de Beloit, no se vaciarán una vez que la recolección automatizada haya comenzado.
- Los botes de basura adicionales están disponibles por un cargo mensual adicional que se añadirá a su factura de servicios públicos. Puede recibir un bote de reciclado adicional sin cargo.
- Si usted se muda, por favor deje los botes de basura y reciclaje en el lugar. Los botes son propiedad de la Ciudad de Beloit y deben permanecer en la propiedad o el domicilio al que fueron asignados. No escriba números de residencia u otras marcas en los botes.
- El Departamento de Obras Públicas se encargará de la reparación de los botes. Los residentes son los responsables del buen manejo y cuidado de ellos. Favor de mantenerlos limpios y adecuadamente almacenados en el lado o la parte posterior de su residencia o en su garaje.
- **Nuevo!** A partir del 6 de Junio del 2016, se deberá agendar la recolección de artículos voluminosos y aparatos para que puedan ser levantados. Los cargos se mantienen.
- **Nuevo!** Usted puede alquilar un contenedor de basura de la ciudad, si tiene artículos en exceso para su eliminación.
- **Nuevo!** A partir del 1 de enero de 2016 los televisores que se entreguen en el centro de reciclaje tendrán un costo de \$5 por unidad.
- **Nuevo!** A partir del 06 de junio 2016 la Ciudad de Beloit ya no participará en el programa de recolección y desecho de objetos punzo-cortantes.
- **¿Quieres saber más?** Visita [www.automatebeloit.com](http://www.automatebeloit.com) para ver un video informativo y obtener detalles sobre el programa.

### Sharps Disposal Has Been Eliminated

Effective June 6, 2016 the City of Beloit will no longer be participating in the city sharps collection and disposal program. The program has been successful in that we were able to keep our solid waste haulers who were collecting manually from getting stuck. For alternative disposal of sharps, check with your local pharmacy, health care provider, veterinarian, drug company, or search the internet for safe sharps disposal methods.

## Introducing Beloit's Automated Collection Program

The City of Beloit will be starting Automated Solid Waste Collection on June 6, 2016. This is a system where garbage and recycling carts are emptied utilizing a mechanical arm attached to the truck, instead of workers lifting and emptying containers and bags by hand.

### What is Automated Collection?

Automation is a faster and more efficient way to collect trash and recycling. In addition to being more efficient, fully automated collection has many other advantages: neater, cleaner appearance of roadways, reduced roadside litter, safer traffic conditions for residents and collectors. Carts are durable and easy to maneuver for residents.

### How will it work?

Each residence will be supplied with two 96 gal easy-to-use wheeled carts: one for garbage and one for recycling.

**Garbage:** place garbage into the cart with black lid and roll it to the curb or the edge of the road on your regular collection day.

**Recycling:** place all recyclables into the cart with grey lid and set out every other week on your regular recycling day.

### When does automated collection begin?

June 6, 2016. When the carts are delivered to your home, you will NOT be able to start using them until the week of June 6, 2016.

### How often can I set out my carts?

Garbage Cart (black lid) will be collected on a weekly basis. Recycling Cart (gray lid) will be collected on a bi-weekly basis.

### Can I have more than one trash cart?

One additional trash cart can be requested for a monthly \$14 fee that will be on your sewer bill.

### Where should I place my carts on my collection day for pick up?

Place one cart on each side of the driveway or 3 feet apart. Place carts no more than 3 feet from the curb or road edge. The lids must face the roadway.

### Will my collection day change?

It may, see the map in this brochure to find your collection day or visit the website [www.automatebeloit.com](http://www.automatebeloit.com) to type in your address for your collection schedule. You may also sign up on the website to receive collection reminders via phone, text, Twitter and email.

### What do I do with my extra trash/recycling?

Keep your items for the following week or bring the items to the Recycling Drop Off at 2351 Springbrook Ct., Saturdays from 9 a.m. to 12 p.m. Residents may also take their trash to the Janesville Landfill, 545 Black Bridge Road, Janesville, WI 53545 or hire a private hauler. Residents may call the Operations Facility at (608) 364-2929 for information on a dumpster rental.

### I already have a rolling cart at home, can I use that one?

No, carts other than those provided by the City of Beloit will NOT be collected once automated collection has begun.

### What if I have a bulky or appliance for disposal?

These items will need to be pre-paid and pre-scheduled for pick up by appointment only. Call the City of Beloit Department of Public Works Operations Facility for more information (608) 364-2929.

### If I move, do I take the carts with me?

No, the carts are the property of the City of Beloit and must remain at the property/address to which they are assigned. Do not write house numbers or any other markings on the city carts. Each cart has its own unique ID tag.

### Won't the new carts be more difficult in snow and ice?

No, they should be easier to maneuver than traditional trash and recycling containers.

### How do I dispose of paint?

Latex paint can be dried out by adding oil dry or kitty litter. Once paint has solidified it can be placed in your trash cart. Oil based paint can be taken to one of the Household Hazardous Clean Sweep locations. Please call Rock County Land Conservation for the nearest collection location and date at (608) 754-6617.

### I have a long driveway. How will I get my carts to the curb?

The new carts are extremely easy to wheel to and from the curb. Carts must be stored on the resident's property and cannot be left curbside for more than 24 hours.

### What can I recycle?

You will find the list imprinted on the recycle cart (gray lid).

### What do I do with my old recycle bins and garbage containers when the program starts?

Your existing containers can be used for other home projects or extra storage. They can be placed in your recycle cart, or brought to the City of Beloit Recycling Drop Off at 2351 Springbrook Ct., Saturdays from 9 a.m. to 12 p.m. Or you can place a "Take Me" sign on them before the automated program begins on your collection day.

### What if my cart is lost, stolen or damaged?

Contact the Police Department (608) 757-2244 to file a report and then call the Department of Public Works Operation Facility at (608) 364-2929.

### Who will maintain my carts?

Residents are responsible for regular periodic cleaning and disinfecting the carts, properly storing the carts each week and during extended absences. Department of Public Works will be responsible for repairs including, but not limited to wheels, axles, lids, hinge pins, and replacement of carts damaged by city plows.

# SCHEDULE FOR TRASH, RECYCLING AND YARD WASTE

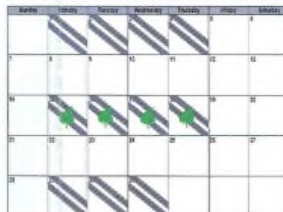

**JUNE 2016**

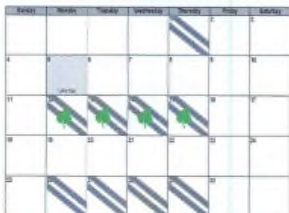

**JULY 2016**

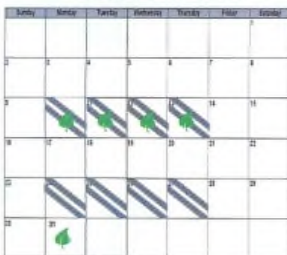

**AUGUST 2016**

**SEPTEMBER 2016**

**OCTOBER 2016**

**NOVEMBER 2016**

**DECEMBER 2016**

Place your trash and/or recycling carts at the curb by 6 a.m. on your collection day.

Fall Yard Waste Curbside Collection and Leaf Vacuum Service will be held October 31-November 18, 2016. Visit the website for details.

## Use This Map Starting June 6, 2016

### 1. What Day Is Your Trash Pick Up?

Refer to the map to locate your property. Match the color over your property with the color guide to find your trash pick up day. You may also use the address search at [www.automatebeloit.com](http://www.automatebeloit.com) to find your pick up day.

### 2. What Day Is Your Recycle Pick Up?

Recycling is picked up every other week. The calendar to the left shows weeks that alternate between being solid white or having striped marks through it. Refer to the map to locate your property to see if it has stripes through it. If it does, then the weeks on the calendar with stripes are your recycle weeks. If there are NO striped marks over your property, then the weeks on the calendar that are white are your recycle weeks. You may also use the address search at [www.automatebeloit.com](http://www.automatebeloit.com) to find your recycle pick up week.

### Still Not Sure?

## **COMMUNITY LISTENING SESSIONS**

**June 1, 2016** - As part of our community policing strategy, the Beloit Police Department will be conducting community listening sessions throughout Beloit neighborhood areas.

The second listening session will be held on:

**Friday, June 17, 2016**  
**Merrill Community Center**  
**1428 Wisconsin Avenue**  
**5:00 p.m. - 7:00 p.m.**

The third listening session will be held on:

**Tuesday, June 28, 2016**  
**Beloit Pentecostal Assembly**  
**2639 Sunshine Lane**  
**5:00 p.m. - 7:00 p.m.**

The purpose of these listening sessions is to provide a meet and greet with the command staff, inform residents of any updates in the police department and listen to any neighborhood concerns.

Chief Dave Zibolski, Captain Dan Molland, Captain Dan Risse and Support Services Director, Jillian Peterson will be present to answer any questions regarding the north neighborhood areas.

We encourage the public to attend the community listening sessions and we look forward to meeting the people of our community.
