Refer to Plan Commission.
- c. Application for Condominium Plat for Walnut Grove Condominiums located at 2260 and 2265 Walnut Street. The project was originally approved and zoned as a Planned Unit Development (PUD) in 2004 and the PUD Resolution authorized up to 65 dwelling units; however, the PUD was amended in 2005 to allow 59 units. The developer has completed the construction of 24 units to date with two more units currently under construction. If approved, the new buildings proposed will bring the total number of units to 38. Refer to Plan Commission.

7. ORDINANCES

- a. Proposed Ordinance attaching the property located at 2028 E. Ridge Road to the City of Beloit. First reading, suspend rules for second reading. There is a failing septic system on the property and it is located within the 208 Sewer Service Area. The Plan Commission reviewed this item on August 17, 2016 and voted unanimously to recommend approval of

this request. The property is for sale and the property owner has requested that the City Council execute both the 1st and 2nd readings of the proposed Ordinance at the September 6, 2016 meeting in order to allow him to finalize the sale of his property on September 13, 2016.

- b. Resolution providing for the Sale of approximately \$13,450,000 Water System Revenue Refunding bonds, Series 2016C.

The sidewalk is less than a block from Converse Elementary School and removal of the sidewalk would not promote the health, safety and welfare of pedestrian travel, particularly small children.
- d. Resolution approving an Intergovernmental Agreement between the School District of Beloit and the City of Beloit for Adult School Crossing Guards. This agreement is a continuation of the collaborative efforts between the City of Beloit and the School District of Beloit for the provision of adult crossing guards to keep our children safe walking to or around schools. 1st Annual Beloit Community Spirit Day

First Annual Beloit Community Spirit Day Taking Place Labor Day Weekend

FOR IMMEDIATE RELEASE:

Beloit, Wis.—On Sunday, September 4, the 1st Annual Beloit Community Spirit Day will take place from 1PM-4PM on the downtown block of E. Grand Avenue. Beloit Community Spirit Day will be the first of an annual community cookout—free and open to the public!—to celebrate the City of Beloit and its many dedicated individuals, and build a stronger communal spirit amongst neighbors.

Beloit is a community rich in cultural diversity and that is a reason to celebrate. In light of racial and cultural tensions in our community and across the country, we offer an opportunity to bring people together to share a meal and build relationships. While we have a large number of ethnicities represented in Beloit, we often miss opportunities to cross cultural lines and learn from each other. The Beloit Community Spirit Day cookout is an opportunity to do just that.

The cookout will feature grilled foods like hamburgers, brats, veggie burgers, chips, and drinks (non-alcoholic) free of charge. There will also be face painting and a balloon animal stand for kids' enjoyment. Culver's will be serving up their delicious frozen custard with their mascot, Scoopie, on hand!

"As a Beloit, I'm very excited for this event," says City Council President Dave Luebke, a Beloit native. "It gives us a chance to break bread with our neighbors and celebrate pride in this wonderful city."

Luebke worked with a number of city leaders and organizations for this event, including Sud's O'Hanahan's owner Tom Hankins, who came up with the idea for the Community Spirit Day.

"This event is homegrown," says Hankins, born and raised in Beloit. "Its genesis was, when I thought about everything that's going on in the country, deciding to be proactive instead of reactive. We as Beloiters have a lot of warts, but we are proud to continue to persevere in this community together. I wanted to celebrate that homegrown community spirit." Suds O'Hanahan's will serve as a cooking headquarters for the event, and picnic tables provided by Best Events Catering & Rentals will line the downtown block.

A number of community leaders and organizations have expressed their support and helped make the first Beloit Community Spirit Day a reality.

"Community Spirit Day is an opportunity for all of our community to come together and recognize the importance of sending the message loud and clear that we love our home," says Tara Tinder, also a Beloit native, and Executive Director of the Stateline Community Foundation.

Members from local law enforcement, fire departments, schools, city officials, churches, local business, and more will be on hand to help serve food and engage any and all community members. Attendees are encouraged to bring kids and relatives.

1st Annual Beloit Community Spirit Day

“I want people to have a better understanding of their neighbors,” says Luebke. “And the best way to do that is through food and conversation.”

Everyone is invited to come on out on Sunday, Sept. 4, enjoy a good, free meal and casual conversation, relax downtown with community members, city officials, friends and family, and help make the 1st Annual Beloit Community Spirit Day a success!
