### **FALL TREE PLANTING**

**October 10, 2016** - The City of Beloit's Department of Public Works is now accepting requests from residents for terrace trees to be planted this fall.

The terrace tree species selection will be determined by the City Forestry Supervisor while taking into account the size of the terrace, presence of utilities and exotic invasive insects. The City Forestry Supervisor will also determine if it will be feasible for a tree to be planted. Trees will be planted on a first-come, first-served basis, limited supply available. Public Works will accept requests through Friday, October 28, 2016.

To be placed on the list, please call the Department of Public Works, Operations Facility at (608) 364-2929.
