Ukulele Lessons at Grinnell

The ukulele is an instrument that has become amazingly popular with people of all ages because it is easy to learn to play and relatively inexpensive. It is also a lot of fun and playing is a great stress buster.

If you would like to learn to play the Uke, join us for our **Beginners Uke Circle on Monday, June 12 at 2:30 p.m.** Bring your own uke or use one from the instructors. Knapton Musik Knotes will have a limited amount available for use. There is no cost but you **MUST** pre-register by calling 608-364-2875. When you register, please let us know if you need to use a uke or you are bringing your own.

In preparation for our Uke Circle, and to learn a bit about the Uke, it's history and why it is so popular, we will be hosting a free showing of **Mighty Uke, The Amazing Comeback of a Musical Underdog** at Grinnell on **Friday, June 9 at 1:00 p.m.** To register for one or both events, call Grinnell at 608-364-2875.
