

# THE BELOIT REPORT

TO BECOME A PLACE ANYONE COULD PROUDLY CALL HOME FOR A LIFETIME

## CURRENT EVENTS AND ACTIVITIES

### CITY MANAGER ACTIVITIES

#### Meetings:

- Conducted the weekly team meeting with Department Heads.
- Attended the Latino Coalition meeting.

#### Activities:

- Congratulations to Austin's Barber Shop, celebrating 100 years in Beloit. Councilor Mark Preuschl presented a proclamation on behalf of the City Council.
- Participated in a celebration at Beloit College in recognition of the "Powerhouse Partners" as the project moves forward.
- Participated in the Urban Alliance Policy Forum in Madison, a conglomeration of the larger cities across Wisconsin.
- Attended the open house at Beloit Area Community Health Center to view their renovated space and expanded dental facilities.

### SUMMER LIBRARY CLUB KICKS OFF JUNE 10TH

Summer Library Club Kickoff, "Build a Better World" is on **June 10, 2017 from 1:00—3:00** at the Beloit Public Library, 605 Eclipse. During sign up, bring a package of any size and type of baby diapers, and get a coupon for \$1 off your fines. One coupon per package/person/record (for teens and adults). The Diaper Drive will benefit Caritas. Kids age 12 and younger and their families can check out fun activities and enjoy Culver's frozen custard.

### CITY COUNCIL WORKSHOP TO DISCUSS PARKING STUDY

The Beloit City Council will hold a [workshop](#) on **Monday, June 12, 2017** at 6:30 p.m. at the Vision Center, located at 500 Public Avenue. The purpose of the workshop is to discuss the Downtown Parking Study. The parking needs assessment was commissioned through the Stateline Area Transportation Study for parts of downtown Beloit, into South Beloit and downtown Rockton. Key elements of the study included: parking supply/demand analysis, parking turnover (length of stay) analysis, community engagement, review of local parking policy/practice, industry best practice review, and recommendations. More information and final reports are posted under the SLATS documents located in the Document Center on the City of Beloit's webpage. Please click [here](#) for a link to the "Parking Study."

### NEIGHBORHOOD LISTENING SESSIONS (JUNE 13 AND 14, 2017)

The City of Beloit will hold two Neighborhood Listening Sessions to share the strategies that have been developed for the Hackett and Merrill Neighborhoods. These strategies were developed from the needs expressed during previous public listening sessions.

**June 9, 2017**

*A weekly publication  
from the Office of the  
City Manager*

**Lori S. Curtis Luther**  
City Manager  
City of Beloit

### Special points of interest:

- **City Council Workshop Information (page 1)**
- **City and Community Events (page 4)**

Strategies include three components for addressing needs: Neighborhood Revitalization, Resident Empowerment, and Public Safety. The sessions will be held:

- **Hackett (Near Westside) Neighborhood Listening Session**

**Date & Time:** June 13, 2017—5:30 to 8:30 p.m.

**Location:** Beloit Historical Society, 845 Hackett Street

- **Merrill Neighborhood Listening Session**

**Date and Time:** June 14, 2017—5:30 to 8:30 p.m.

**Location:** Community Action, 27 Eclipse Center

A quorum of City Councilors, Community Development Authority members, Plan Commissioners and Equal Opportunities Commission members may be present. Please see Public Notice ([attached](#)). Representatives from the City of Beloit Community Development Department, Police Department and local public service agencies (Community Action and NeighborWorks Blackhawk Region) will also be present. The City will use input gathered from this session to finalize the Neighborhood Revitalization Strategy Area Plan (NRSA), which will outline action steps, identify partners, and allocate community Development Block Grant funding resources towards activities that will improve the neighborhoods. The public is invited to attend.

### **SUMMER FOOD—SUMMER FUN!**

The U.S. Department of Agriculture partners with our local community to serve free meals to children age 18 and under during the summer. There are no income requirements. Free breakfast and lunch will be served at various locations throughout Beloit and the South Beloit Boys and Girls Club. A FREE family event to kickoff the Summer Food Service will be held on **Wednesday, June 14, 2017 from 11:00—1:00** at Beloit Memorial High School Fieldhouse, 1225 Fourth Street. There will be a picnic lunch, activities, door prizes, entertainment and more! [Attached](#) are flyers in English and Spanish. Please feel free to print and share! More information is available on the School District of Beloit's website: <https://www.sdb.k12.wi.us/domain/489>

### **2017 CURBSIDE COLLECTION OF YARD WASTE**

Yard waste will be collected from June 12 through 15 on your regular trash day. A yard waste sticker will be required on all bags, bundles and/or containers. Yard Waste Stickers can be purchased at Walgreens, ACE Hardware, Public Works Operations Facility, City Hall Treasury, Grinnell Hall, and Leisure Services Office.

- Stickers are sold 5 to a sheet for \$7.50.
- Use only paper yard waste bags, Back-to-Nature Biodegradable bags or clean trash containers 39 gallons or less (no plastic bags).
- Yard waste containers must weigh no more than 60 pounds.
- All brush and shrubbery must be bundled, tied or contained and tagged.
- Place yard waste curbside on your regular trash day during the collection dates.
- Place yard waste a few feet away from your regular trash.
- For more information, please visit <http://www.automatebeloit.com/yard-waste/>

### **EURASIAN WATERMILFOIL CLOGS RIVERSIDE PARK LAGOON**

The Lagoon in Riverside Park is clogged with Eurasian Watermilfoil, a leafy water plant commonly found in shallow water basins, reservoirs, lakes and ponds in over 30 states, including over 400 lakes in Wisconsin. It is non-harmful and may serve as good spawning areas for many variety of fish. However, it may create a challenge when renting a paddle boat from the Lagoon Concessions. The City of Beloit is actively seeking a permit from the Wisconsin Department of Natural Resources in order to properly treat the water to reduce and/or eliminate this invasive plant and restore the recreational activities in the Lagoon.

**PINNING OF THE BADGE CEREMONY—JUNE 15, 2017**

On **Thursday, June 15, 2017** at 6:00 p.m. in the City Hall Forum, three patrol officers will receive their badges. This proud tradition will be conferred upon Officers Jamie Bouril, Martin Delgado and Darryl Thornton. They will complete their police academy assignments on June 16th. The ceremony will begin with a welcome and remarks from Chief David B. Zibolski and City Manager Lori Curtis Luther, after which the patrol officers will receive their badges. The public is invited to attend.

**CLEAN SWEEP—JUNE 24, 2017 OR AUGUST 26, 2017**

Clean Sweep provides free or low cost disposal of hazardous chemicals to all urban and rural residents of Rock County.

**June 24**, 9:00 a.m. —12:00 p.m. at City of Beloit Public Works garage, 2351 Springbrook Court, Beloit

**August 26**, 9:00 a.m.—12:00 p.m. at Rock County Public Works garage, 3715 Newville Rd., Janesville

**Sign up is required in advance.** Call 608-754-6617 Ext. 101 or Ext. 118 and leave your name and address. Or e-mail [linda.pakes@co.rock.wi.us](mailto:linda.pakes@co.rock.wi.us) (subject "Clean Sweep").

For a handy Household Chemical Disposal Guide, please see [attached](#). For more detailed information on the drop-off for hazardous chemicals from homes, farms or eligible businesses, please click here:

<http://www.co.rock.wi.us/land-conservation-clean-sweep>

**TRAVEL INFORMATION**

The I39-90 Project Communications Manager sent the following advisory:

As temperatures increase this weekend, please take extra caution and be alert for pavement buckles on Wisconsin roadways! Pavement buckles are most common when the weather quickly goes from cool to very hot, causing pavement to expand. While it's difficult to predict if or where buckling may occur, please keep the following tips in mind:

- Slow down, buckle up and eliminate distractions to focus your full attention on the roadway. Along with pavement issues, other concerns this time of year can include deer or debris on the roadway.
- Watch for slowing traffic and be ready to move over for all roadside workers including highway crews as they repair damaged pavement.
- Before your trip, check the [511 Travel Information system](#) for the latest on any incidents or delays.
- If necessary, report serious pavement issues by calling 911. Be ready to provide specific location information.

**STAY INFORMED:** [I-39/90 Expansion Project website](#) | [Project Facebook page](#) | [2017 Construction Guide](#)

**Non-discrimination Statement:** In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](#), (AD-3027) found online at:

[http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: [program.intake@usda.gov](mailto:program.intake@usda.gov). This institution is an equal opportunity provider.

# COMIDAS GRATUITAS PARA NIÑOS ESTE VERANO EN BELOIT

(608) 361-3446 • 361-3452 (español)  
summerfoodbeloit.org

El verano está llegando pronto. Usted puede estar pensando que va a hacer su hijo para sus comidas mientras la escuela está cerrada (no está en sesión). La buena noticia es que el Departamento de Agricultura en asociación con la comunidad va a servir comidas gratis. Es comida disponible mientras la escuela está cerrada. No hay requisito de ingreso y cualquier niño de 18 años y menor de 18 años puede venir a comer.

- o Brother Dutton (Even Start), Gaston, Todd, Cunningham, Aldrich, BMHS las comidas se sirven del 19 de junio, al 28 de julio, 2017 (lunes a viernes). No se servirán comidas el 3 y 4 de julio, 2017
- o Merrill & Hackett las comidas se sirven del 19 de junio, al 11 de agosto, 2017 (lunes a viernes). No se servirán comidas el 3 y 4 de julio, 2017
- o Headstart servirán comidas el 12 de junio, al 25 de agosto, 2017 (lunes a viernes) No se servirán comidas el 4 de julio, 2017
- o YMCA servirán comidas el 12 de junio, al 17 de agosto, 2017 (lunes a viernes) No se servirán comidas el 4 de julio, 2017
- o Beloit Public Library servirán comidas el 14 al 18 agosto, 2017
- o Beloit Boys & Girls Club servirán comidas el 12 de junio, al 18 de agosto, 2017 (lunes a viernes) No se servirán comidas el 4 de julio, 2017
- o The Salvation Army servirán comidas el 12 de junio, al 25 de agosto, 2017 (lunes a viernes) No se servirán comidas el 3 y 4 de julio, 2017
- o Krueger Park, Vernon Park & Summit Park servirán comidas el 12 de junio, al 18 de agosto, 2017 (lunes a viernes). Tenga en cuenta que los almuerzos del viernes se sirven en la piscina Krueger en lugar de los parques y no se sirven comidas el 4 de julio, 2017
- o South Beloit Boys & Girls Club servirán comidas el 5 de junio, al 11 de agosto, 2017 (lunes a viernes) No se servirán comidas el 3 y 4 de julio, 2017
- o Beloit Turner Middle School servirán comidas el 12 de junio, al 14 de julio, 2017 (lunes a viernes) No se servirán comidas el 3, 4 y 5 de julio, 2017
- o Beloit New Life Church servirán comidas el 17 al 21 julio, 2017

| <b>Desayuno:</b>                       |                              |                  |
|--|------------------------------|------------------|

## Household Chemical Disposal Guide

This guide is for chemicals at household strength in household quantities. If you have large volume, unknowns, or industrial/commercial strength, contact Clean Sweep at 608-754-6617 ext. 3

- **Is there a less hazardous solution?** A recurring problem might need a closer look at causes. Check on-line for less hazardous options from reputable sources. If you go hazardous . . .
- **Buy a small amount to see if it works,** then . . .
- **Buy only what you will use right away.** Have a plan and stick to it because . . .

**Storage can destroy products.** Freezing, summer heat, vaporization, reduced potency, container failure/rust, turns to a solid chunk, and so on.

- **Read and follow label instructions.**
- **Protect your lungs, eyes, skin.** Protection and prevention are cheaper than injury.
- **DO NOT MIX** chemicals.
- **Do not mix waste vehicle fluids.** Several fluid types can be recycled year-round locally if kept separate.
- **Store away from children and pets.**
- **Don't let wastes pile up.** It can be a fire or health risk. It's easier and cheaper to safely dispose of small amounts of waste than large amounts all at once.
- **DO NOT put any waste in storm drains.** All storm drains in Rock County go to surface water – none go to treatment plants.
- **Do not burn hazardous chemicals.**

### What the label words mean:

**CAUTION** - slightly toxic if eaten, absorbed through the skin, inhaled, or it causes slight eye or skin irritation.

**WARNING** - moderately toxic if eaten, absorbed through the skin, inhaled, or it causes moderate eye or skin irritation.

**DANGER** - highly toxic by at least one route of exposure. It may be corrosive, causing irreversible damage to the skin or eyes.

**POISON** - highly toxic if eaten, absorbed through the skin, or inhaled. If this is the case, then "POISON" must also be included in red letters on the front panel of the product label.

**Clean Sweep & non-curbside recycling guide - <http://www.co.rock.wi.us/land-conservation-clean-sweep> ;  
Questions & request information - 608-754-6617 ext. 3; [linda.pakes@co.rock.wi.us](mailto:linda.pakes@co.rock.wi.us) or [anne.miller@co.rock.wi.us](mailto:anne.miller@co.rock.wi.us)**

**Key:** CS = Clean Sweep; D = safe for home drains on septic or city sewer if diluted with lots of water; T = Trash; R = local recycling, see Clean Sweep recycling flier or check with your solid waste service; R\$ = recycling for a small fee; \* = See notes.

| Material   | Disposal | Note  |
|--|----------|---|
| Acetone  | CS       |   |
| Aerosol cans (all)   | CS       | Propellants are organic solvents and not always listed as ingredients. If possible, choose a pump spray or non-aerosol.   |
| Ammonia (household strength)   | D        | DO NOT MIX WITH OTHER CHEMICALS. Use up any leftover ammonia in laundry to remove mildew, pet, sweat odors (1 cup/regular load + non-bleach detergent - read labels). Mix with water to clean greasy windows.   |
| Ammonia-based cleaners   | D        | Use for cleaning if possible. DO NOT MIX WITH OTHER CHEMICALS.  |
| Antifreeze (all engine coolants, ethylene glycol)                      | R, CS*   | Can be recycled if not mixed with other used vehicle fluids. Limited volume accepted at Clean Sweep. Extremely poisonous.   |
| Antifreeze (winterizing, propylene glycol)                             | D        | Safe for septic systems and city sewer in normal household quantities. Typically pink.  |
| Asbestos   | *        | Contact landfill, 608-755-3105.   |
| Auto body filler   | T*, CS   | Mix resin and hardener, trash when solid. If not possible, then Clean Sweep.  |
| Automobile oil   | R        | Do not mix with any other fluids.   |
| Batteries, alkaline  | T,R\$    | Do not stockpile old batteries.   |
| Batteries, rechargeable, lithium ion, ni-cd, lead acid, vehicle/engine | R        | Can be recycled for free at select local businesses. Rechargeable electronics can be recycled intact as electronic waste ('e-waste').   |
| Battery acid   | CS       |   |
| Bleach   | D        | Replace with borax for all colors. Do not mix with ammonia cleaners.  |
| Brake fluid  | R, CS    |   |
| Car wax (solvent-based)  | CS       |   |
| Caulk, glaze, putty, mortar, plaster, cement                           | T        | Harden and trash.   |
| Contact cement   | CS, T*   | If hardened, trash. Otherwise to Clean Sweep.   |
| Cosmetics  | T        |   |
| Diesel (vehicle fuel)  | CS       | Short shelf life, some vehicle diesel starts breaking down within a month. Buy only what you will use in short-term.  |
| Disinfectants  | CS, D*   | Save for Clean Sweep <b>if:</b> label says "germ proof", it contains chlorophenol; product is old; it's for industrial or commercial use; it's a large amount. If it is a recently purchased household product, okay for small amounts to go down household drain with lots of water. |
| Drain cleaner (liquid)   | D        | Use long pipe brush or vinegar and baking soda. Install hair screen. Make sure clog is not a solid object.  |
| Drain opener (crystals)  | CS       | Only a few ounces can crash a septic system. Avoid using if connected to septic system. First try to break up clog with plunger, long pipe brush/snake, vinegar + baking soda, or liquid drain opener. Determine if clog is a solid object.   |
| Driveway sealer  | CS       | Avoid coal tar (hazardous run-off). Look for low-solvent formula.   |
| Fertilizer (no pesticides)   | T        | Don't stock up on fertilizer - it can turn into a solid block if not used right away.   |
| Fertilizer (with pesticides)   | CS       | Place in clear plastic bag if possible. Don't stock up on fertilizer - it can turn into a solid block if not used up right away.  |
| Fiberglass epoxy   | T*, CS   | Mix resin and hardener, trash when solid. If not possible, bring to Clean Sweep.  |
| Floor cleaner (solvent-based)  | CS       | Switch to non-solvent cleaner.  |
| Fluorescent lamps/bulbs  | R, R\$   | If fluorescent bulbs keep burning out, dimmers/other switches and the quality of the bulb might be factors. Switch to LED.  |

| <b>Material</b>                          | <b>Disposal</b> | <b>Note</b>  |
|--|-----------------|--|
| Fluorescent ballasts                     | R\$             | See recycling list. If from 1979 or earlier, might contain PCBs.   |
| Fuel oil                                 | R               | Contact fuel oil dealer about pumping old tanks.   |
| Gasoline                                 | CS              | Only buy as much as will be used right away. Extremely flammable and short shelf-life (about 3 months).  |
| Gasoline/oil mixes                       | CS              |  |
| Glue (solvent-based)                     | CS, T*          | Clean Sweep if not able to harden product. Hardened product can go in trash.   |
| Glue (water-based)                       | T               | Harden then trash.   |
| Herbicides, fungicides                   | CS              | Buy a little to see if it works, then buy only what you will use right away. Look at less toxic chemicals or biological/physical measures. Do not recycle pesticide containers.  |
| Household cleaners (solvent based)       | CS              | All aerosol sprays use organic solvents as propellants. Try less hazardous products or non-aerosol sprays first.   |
| Joint compound                           | T               |  |
| Kerosene                                 | CS              | Short shelf life (a few months if opened/seal broken).   |
| Lighter fluid                            | CS              |  |
| Lotions, perfume, shave cream            | D, T            |  |
| Mercury, thermometers, thermostats, etc. | CS              | Leave devices intact. Seal in sturdy clear plastic containers and label as 'mercury'. Replace with digital thermometers/thermostats.   |
| Mothballs                                | CS              | Use up if possible. Use cedar if possible.   |
| Nail polish (liquid) and remover         | CS              | Solidified nail polish can go in trash.  |
| Oven cleaner                             | CS              | Switch to non-hazardous cleaners or prevention.  |
| Paint strippers                          | CS              | Look at less hazardous method.   |
| Paint (liquid), artist & hobby           | CS*, T          | Save for Clean Sweep (heavy metals): antimony white; barium yellow; burnt umber; cadmium yellow, orange, and red; chrome yellow, orange, and green; cobalt violet; emerald green or Paris green; flake white; mixed white or lead white; lemon yellow; manganese blue and violet; molybdate orange; Naples yellow; Thalo blue and green; raw umber; Scheele's green; strontium yellow; vermilion; zinc yellow. |
| Paint thinners                           | CS              | Settle out solids, pour off clear liquid and seal tightly for reuse. Harden solids and trash. Switch to latex paint if possible.   |
| Paint, auto, marine, equipment           | CS              | Can contain metals or other toxic ingredients.   |
| Paint, latex                             | R\$, T          | Recycle at select hardware stores or harden then trash with lids off. Use kitty litter, Oil-Dri/spill absorbents, air dry, or faster-acting paint hardener.  |
| Paint, oil-based                         | CS, T*          | Liquid to Clean Sweep. If solid, then trash, lids off. Cannot harden like latex paint.   |
| Parts cleaner (solvent-based)            | CS              | Switch to less hazardous detergent-based cleaner.  |
| Permanent wave solution                  | D               |  |
| Pesticides                               | CS              | Look at less toxic chemicals or biological/physical measures. "Directory of Least-Toxic Pest Control Products" ( <a href="http://www.birc.org/Final2015Directory.pdf">http://www.birc.org/Final2015Directory.pdf</a> )   |
| Photographic chemicals                   | CS              |  |
| Polish - furniture, floor                | CS, T*          | If a small amount is left, air dry in non-living space, trash when solid. Switch to water-based with citrus.   |
| Pool chemicals                           | CS              |  |
| Power steering fluid                     | CS              |  |
| Rat poison                               | CS              | Traps, cat   |
| Rust remover                             | CS              | Switch to less toxic removers and methods.   |
| Shellac                                  | CS              |  |
| Solvent-based cleaners                   | CS              | Switch to water-based products or detergent-based.   |
| Spot remover                             | CS              | Use up if possible.  |
| Stain                                    | CS, T*          | Liquid to Clean Sweep or use paint hardener then trash when solid (kitty litter and other absorbents do not harden stains).  |
| Stump remover                            | CS              | Use non-chemical removal if possible.  |
| Toilet, tub, tile cleaners               | D               | Use up. DO NOT mix with other chemicals.   |
| Transmission fluid                       | R, CS           |  |
| Turpentine                               | CS              |  |
| Varnish                                  | T*, CS          | Trash if hardened, Clean Sweep if still liquid.  |
| Window cleaner (non-auto)                | D               | Switch to vinegar + water for windows, ammonia + water for greasy windows.   |
| Windshield washer solution               | CS              | Use up or share if possible otherwise Clean Sweep.   |
| Wood filler                              | T*, CS          | Trash if hardened, Clean Sweep if still workable.  |
| Wood preservative                        | CS              | Penta products are extremely hazardous. Wear protective clothing, wrap completely in plastic.  |
