Date: January 24, 2017

Presenter: Clinton Cole

Division:

Beloit Housing Authority

Overview/Background Information:

HUD has recommended that the Beloit Housing Authority write off Public Housing tenant accounts receivable (TAR) quarterly so that the agency does not carry a large TAR at the end of the fiscal year that may damage the agency's overall HUD management rating.

Key Issues (maximum of 5):

1. Two (2) Public Housing Tenants vacated public housing units, leaving balances due which staff has not been able to collect.
2. The total owed for the fourth quarter 2017 is \$5,037.75.
3. This amount will be removed from the BHA's books and reported to Happy Software and the Wisconsin Tax Refund Intercept Program for collection.

Conformance to Strategic Plan (List key goals this action would support and briefly discuss its impact on the City's mission.): Approval of this project would conform to the strategic goal of creating and sustaining safe and healthy neighborhoods.

Sustainability (Briefly comment on the sustainable long term impact of this policy or program related to how it will impact both the built and natural environment utilizing the four following eco-municipality guidelines.):

- **Reduce dependence upon fossil fuels** - N/A
 - **Reduce dependence on chemicals and other manufacturing substances that accumulate in nature** - N/A
 - **Reduce dependence on activities that harm life sustaining eco-systems** - N/A
 - **Meet the hierarchy of present and future human needs fairly and efficiently** - N/A
- If any of the four criteria are not applicable to your specific policy or program, an N/A should be entered in that space

Action required/Recommendation:

Staff recommends approval of the attached resolution

Fiscal Note/Budget Impact:

If approved, this resolution will allow BHA to reduce the debts owed/accounts receivable.

Topic: Consideration of Resolution 2018-02, Recommending Approval of an Amendment to the 2017 Annual Action Plan

Date: January 24, 2018

Presenter: Teri Downing

Division: Community & Housing Services

Overview/Background Information:

In 2003, the City provided Community Development Block Grant (CDBG) funding to assist with the acquisition and construction of the Merrill Community Center. Merrill Community Center closed in 2016 and sold the building to Community Action in 2017.

Key Issues (maximum of 5):

Federal regulations for CDBG funding require that any proceeds from the sale of real property acquired and/or constructed with CDBG funding be returned to the CDBG program by commensurate percentage (i.e. if 46% of the entire project was funded with CDBG, then 46% percent of the sale proceeds must be returned to the CDBG program.) The amount of funding being returned to Beloit's CDBG program from the sale of the Merrill Community Center is \$38,570.32, which is listed in the notice.

We are proposing to use the returned CDBG funding for our Housing Rehabilitation Program to support NRSA efforts. Because the "use" of the funding is being changed, we need to amend our Consolidated Plan (5-year CDBG Plan) and our 2017 Annual Action Plan (1-year CDBG Plan) to reflect this reprogramming of the funds. A substantial amendment requires public noticing, a 30-day public review/comment period, CDA review and recommendation, public hearing, and City Council approval.

Conformance to Strategic Plan (List key goals this action would support and briefly discuss its impact on the City's mission.): Approval of this project would conform to the strategic goal of creating and sustaining safe and healthy neighborhoods.

Sustainability (Briefly comment on the sustainable long term impact of this policy or program related to how it will impact both the built and natural environment utilizing the four following eco-municipality guidelines.):

ANNUAL PLAN YEAR: 3

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The mission of the City of Beloit's CDBG Program is to assist those at risk of becoming homeless, create new jobs, retain existing jobs, assist low to moderate income people, assist special needs populations, such as public housing residents, elderly, homeless, and victims of domestic violence, increase property values, and improve the quality of the housing stock. Activities and programs will also serve to decrease the proportion of rental units and the unemployment rate and help stabilize neighborhoods by keeping people in their homes or helping people secure homes.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Specific Housing Objectives

- Develop a variety of housing alternatives in order to satisfy a wider range of housing needs by using existing programs and resources to improve Beloit's older housing stock, support program that enable homeowners to retain their homes, support the conversion of rental to owner-occupied housing in neighborhoods with unusually high percentages of rental properties, and promote homeownership.

Public Housing Strategies

- The Beloit Housing Authority (BHA) will work with Neighborhood Housing Services (NHS) (now known as NeighborWorks Blackhawk Region or NWBR) to provide homeownership opportunities for its resident.
- The BHA will work with community partners to provide volunteer opportunities for BHA residents and applicants, which exposes the extremely low-income, low-income, and moderate-income households to opportunities to increase their job training skills, people skills, and self-sufficiency.
- The BHA will encourage extremely low-income, low-income, and moderate-income families to utilize the least restrictive housing opportunities available to them. They have a choice of programs that include public housing, Section 8 rental assistance, Section 8 homeownership, and Family Self-Sufficiency.

Specific Homeless Strategies

- The City will continue to support and strengthen the limited resources of agencies that provide services and facilities for homeless persons in the City of Beloit.
- The City will support a Resources Navigator position through Community Action that will act as an access point for low-moderate income individuals, who will assist people with finding the resources they need to be successful. See additional text (inserted in IDIS.)

2. Additional Text

Economic Development Objectives

- The City will continue to market the Economic Development Revolving Loan Fund to eligible businesses each year and use the Economic Development Revolving Loan Fund to increase the number of living wage jobs to low- and moderate-income persons in the community. The Economic Development Loan Committee is currently reevaluating the ED RLF Program to add a microloan program.)

Community Objectives

- The City will continue its Housing Rehabilitation Loan Program to improve the City's low to moderate-income neighborhoods.
- The City will continue to acquire, rehabilitate, and sell foreclosed homes to low-moderate income families through its Neighborhood Stabilization Program (NSP). The City will support a Resources Navigator position through Community Action that will act as an access point for low-moderate income individuals, who will assist people with finding the resources they need to be

successful.

Anti-Poverty Strategy

- The City will support programs that provide assistance to persons to increase their job skills and marketability.
- The City will support non-profit organizations that provide assistance and advocacy to low to moderate-income residents by providing CDBG funds throughout the planning period. The City will support a Resources Navigator position through Community Action that will act as an access point for low-moderate income individuals, who will assist people with finding the resources they need to be financially successful.

Non-Homeless Special Needs Strategies and Objectives

- The City will support programs such as Home Companion Registry to enable elderly and disabled residents to remain healthy and in their homes.
- The City will support public service programs that provide case management, client advocacy, and flexibility in order to tailor assistance to unique needs.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City has successfully funded and partnered with local non-profit organizations to address the most pressing needs in neighborhoods, housing assistance programs, property acquisition programs, code enforcement and public infrastructure improvements.

The City of Beloit provided CDBG funding to homeless programs and services that meet critical needs and served on the Homeless Intervention Task Force Displacement Action Response Team.

The City of Beloit provided housing rehabilitation loans to low to moderate income homeowners and landlords renting to low- moderate income tenants and supported Neighborhood Housing Services' Foreclosure Prevention Program, which helps people stay in their homes. The City of Beloit also supported the Senior Chore Service program and the Home Companion Registry which helps the elderly and disabled live independently in their homes.

The City continued to operate the Economic Development Revolving Loan Fund which provides loans to for-profit commercial, industrial or service sector businesses that will locate or expand in the City of Beloit by creating or retaining jobs. The Beloit Housing Authority has partnered with NHS (now known as NeighborWorks Blackhawk Region or NWBR) over the past several years to provide training and education opportunities for its Family Self-Sufficiency and Homeownership Voucher program participants. The BHA also contracted with Voluntary Action Center to provide volunteer opportunities for its public housing residents.

The City continued its City-wide systematic code enforcement program wherein inspectors perform exterior inspections City-wide and interior inspections of all rental properties on a rotating three-year cycle. The deteriorated and deteriorating areas were the low- and moderate-income areas as defined by HUD. Those areas had the highest proportion of code violations, the greatest number of investor-owned properties, the greatest percentage of houses older than 50 years old, the lowest property values, and the oldest infrastructure. The City also continued to operate the rental registration program which generates approximately \$75,000 in CDBG program income annually.

The City has funded the Merrill Community Center, Domestic Violence Shelter, Senior Chore Service, Home Companion Registry and others which provide housing services and options to people within our central city neighborhoods. Although many of these programs are available city-wide, the majority of participants are located in our central city neighborhoods.

The City continued to purchase properties from Rock County that were foreclosed for non-payment of taxes. Blighted properties are demolished, and the remaining vacant lots are offered to adjoining property owners for a minimal amount. Houses in better condition are rehabbed using a combination of City and grant dollars and sold to owner-occupants. This program is primarily paid for with City CIP dollars.

The City has a program of evaluating streets to determine which streets should be reconstructed or resurfaced each year. Other public improvements are made annually to upgrade the water system, parks, and other public facilities. The City invests approximately \$1.0 million in public improvements in our low-income areas each year. This investment is made out of the City's CIP budget.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The City of Beloit gave its citizens the opportunity to participate in an advisory role in planning, implementing, and assessing CDBG programs during the consolidated planning process. Information about the goals of the CDBG program and the activities it funds was provided to all interested stakeholders. Public meetings were held to gauge the views of citizens. Public hearings were held to gauge the views of citizens.

For the 2017 Annual Action Plan, the Community Development Authority established local goals at the June 22, 2016 meeting. This meeting notice was open to the public and notice was provided to the media and posted on the City's website on June 19.

The City held a public hearing on July 5, 2016 to give citizens an opportunity to identify issues which needed to be identified in the Annual Plan. A notice was published in the Beloit Daily News on July 2 and the Stateline News on July 3 notifying the public of that a public hearing would take place on July 5, 2016. Additionally, the City put the notice on the City's website on June 30. The notice was also mailed to the CDBG mailing list, which includes the non-profit organizations and other interested agencies which provide services to low income people in Beloit.

The CDBG budget process began when notices were published on July 15 on the City's website, on July 16 in the Beloit Daily News, and July 17 in The Stateline News announcing that applications were available. A notice was also emailed to the CDBG mailing list on July 15, 2016 notifying agencies and interested parties that applications were available. Anyone needing assistance with filling out an application, determining the eligibility of a project or other CDBG assistance was helped.

The CDA reviewed the Annual Plan and budget on September 28, 2016 and recommended approval of both the plan and the budget. This meeting was provided to the media and posted on the City's website on September 30.

A notice was published in the Beloit Daily News on October 8, 2016 and in the Stateline News on October 9 2016 notifying the public of the 30-day public review period which began on October 7, 2016 and ended on November 6, 2016. This notice also notified the public that the plan and budget were available on the City's website, at City Hall and at the Beloit Public Library. It also informed the public that a public hearing would be held on October 17 and that final City Council action would take place on November 7, 2016. This notice was also emailed to the CDBG mailing list.

On October 17, a public hearing was held to give citizens an opportunity to comment on the proposed Annual Plan and proposed 2017 CDBG budget. Ian Hedges from HealthNet spoke about the importance of health care for our most vulnerable populations and how one health problem could have devastating effects on all aspects of a person's life including job loss and growing debt that can financially destabilize a family. He explained that HealthNet's program provides free health care for the lowest income, uninsured people in the Beloit community. He also explained that HealthNet has a free prescription drug program and that the need in Beloit is so great that they have increased the number of days they offer this program in Beloit.

On November 7, the Annual Plan, and 2017 CDBG budget were reviewed and approved at a City Council meeting.

See additional text (inserted in IDIS.)

4. Additional Text

In December 2016, the City discovered there was a conflict of interest with one of the City Council members and one of the approved 2017 CDBG subrecipients. A public notice was published in the Beloit Daily News on February 11, 2017 notifying the public of the conflict of interest, and giving the public 7 days to provide comments regarding the conflict of interest. Nobody commented during that time.

On March 6, 2017 the Beloit City Council reconsidered and approved the 2017 funding priorities. The City notified the public via public notices that due to the conflict of interest, the City will be reconsidering the 2017 Annual Action Plan and Budget, and provided the dates of the 30-day public review, the date of CDA review and recommendation, as well as the date of the Public Hearing and City Council action.

The notice was published in the Beloit Daily News on May 12, 2017 and in the Stateline News on May 14, 2017 notifying the public of the 30-day public review period which began on May 15, 2017 and ended on June 15, 2017. This notice also notified the public that the plan and budget were available on the City's website, at City Hall, and at the Beloit Public Library. It also informed the public that the Community Development Authority (CDA) would be reviewing the 2017 Annual Action Plan and 2017 Budget on May 24, 2017 in order to make a recommendation to City Council, that a public hearing would be held on June 19, 2017 and that final City Council action would also take place on June 19, 2017.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The following public comments were received regarding the 2017 Annual Action Plan:

Public comments received during the CDBG Public Hearing on Needs on July 5, 2016 at Beloit City Council:

Ian Hedges, Executive Director of HealthNet Rock County, commented that HealthNet is a free and charitable clinic, and emphasized the importance of health and wellness in our community. He indicated that people often do not have enough money for medications. He said that with the \$8,000 in CDBG funding from the prior year the clinic was able to provide more services than in years past. He explained that 40% of all people they serve are from Beloit, that their clinic now accepts BadgerCare. He said that people who receive proper health and dental care are more confident and productive and that he encourages the Council to prioritize health and dental care.

Donna Ambrose, Executive Director of Caritas, and also a Beloit resident commented that she has a serious concern about emergency housing assistance. She said she often deals with clients who have housing maintenance and landlord /tenant issues. She noted the Park Avenue apartments' numerous leaks and garage door issues that were never fixed before people were displaced. She also gave an example of a client she was working with who had property maintenance issues that she complained about to the landlord, then the landlord showed up unannounced and she had to call the police on the landlord. She indicated that her client was then afraid to complain about the property maintenance issues for fear of retaliation from her landlord, so she eventually moved from the property. She gave a third example in which a landlord showed up at a client's house unannounced and the police had to be called. She said the police told the landlord not to do it again. She stated that because of these reasons, there is a great need in the community for tenant rights education.

Ms. Ambrose also stated that there is a need in the community for food and security deposit assistance. She explained that in 2015 her agency served 22,000 people at the food pantry. She said that some people come back more than once so clarified that in May the duplicated number was 1,400 households, but the unduplicated number was 71 households.

Lynn Volbrecht and Will Chapman of Community Action, Inc. (CAI) commented about their mentoring program. Ms. Vollbrecht explained that they are working with 45 young people in the program and they recently took 100 youth to college campuses. CAI placed 10 youth in summer jobs. Mr. Chapman, the CAI Fresh Start Program Manager explained that CAI has a youth advocate program in which the older youth act as mentors for Aldrich Middle School children, stressing the importance of education so they are employable when they get older. He explained that 39 of 47 Fresh Start youth received their high school diplomas in Spring 2016. He also provided an overview of other CAI programs and explained that CAI has a renewed focus on youth programming, explaining that all CAI programs have a wrap around approach towards helping out of poverty.

June 19, 2017 Public Hearing:

Paul Dionne, the president of Stateline Literacy Council (SLC) spoke during the public hearing on June 19, 2017. He explained that SLC is now operating out of the Beloit Public Library and explained that they had a number of new board members. He told Council SLC is thankful for CDBG funding and would appreciate if Council would continue to award CDBG Funding to their program.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Beloit's consultation was done during the Consolidated Planning process and achieved through a variety of methods, including three public meetings with attendees from various local service agencies, several public hearings, and comments from stakeholders and citizens alike. The City did not individually consult agencies during the Annual Plan planning process. However, the City of Beloit provides public noticing and holds a public hearing on the Annual Plan and Budget. The Annual Plan and Budget are discussed and approved at the public Community Development Authority (CDA) meeting, there is then a 30-day public comment period, a public hearing is held at City Council during the comment period, and then the City Council publicly discusses and votes on the budget and Annual Plan. There is a public participation item on the agendas for both the CDA and Council in which any person or agency representative can speak. The City has a listing of "CDBG Interests Parties" who receive mailed and/or emailed notices of all public meetings, and comment periods. The listing is of all local community organizations and any other organization or individual who has expressed interest in being on the list.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The City of Beloit's Housing Authority and Division of Community and Housing Services work closely with local non-profit organizations, and County agencies to coordinate assistance in housing, mental health, and other service agencies. For example, the Housing Authority coordinates with Neighborworks to assist public housing and Section 8 residents with budgeting and homeownership education. They also provide referrals to various agencies that provide assistance with security deposits, landlord/tenant issues, home health care, and energy assistance. The Community and Housing Services Division provides referrals from the Housing Rehab Loan Program to local non-profits regarding minor home repair and credit education. In addition, the City is part of the Rock County Consortium which partners with the County Health Department on Lead Hazard Control and Health Homes. The Code Enforcement program provides referrals to the City's Housing Rehab Loan Program for repairs, and to homeless shelters and agencies that provide motel vouchers when units are posted unfit for human habitation. Code Enforcement also work closely with the Fire Department, and non-profit and County mental health providers such as Family Services, the County's Aging and Disabilities Resources Center, Rock County Long Term Support regarding cases of hoarding. The City's Community and Housing Services Division continues to work with the Fire Department, Family Services, the Rock county Health Department, and the Beloit Health Systems, which is the hospital in Beloit, to coordinate a more streamlined referral system to match chronic cases with the services they need.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Beloit works together with the Homeless Intervention Task Force (HITF) of Rock and Walworth County. The HITF evolved from several city and county groups that had been meeting on the issue of homelessness in the area. Members include representatives from public, non-profit, and for-profit agencies. Agencies that participate in HITF include:

Community Agencies

- Caritas
- City of Janesville- Neighborhood Services
- Community Action, Inc.
- ECHO
- Edgerton Community Outreach
- GIFTS
- House of Mercy
- The Lazarus Foundation
- Legal Action of Wisconsin
- Project 16:49
- Red Road House
- Rock County Human Services
- Rock Valley Community Programs

- United Way Blackhawk Region
- United Way 2-1-1
- YWCA of Rock County

Beloit Agencies

- Beloit Housing Authority (BHA)
- Family Services
- Hands of Faith
- The Salvation Army- Beloit

The HITF meets monthly to discuss strategies for addressing shelter and housing needs for homeless and low income persons. The HITF originally met to discuss the implications of the North Rock County Homelessness Survey that was completed in 1993. It was responsible for the subsequent Homelessness surveys completed in 1996 and 1999. It serves as the Continuum of Care for addressing homelessness and works to meet and identify needs.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Beloit does not receive ESG funds. However, there are agencies in the City of Beloit that do receive these funds and are part of the Continuum of Care. Community Action and Family Services also receive ESG funds to assist in supportive services and emergency needs of participants. Hands of Faith also receives ESG funds to assist with emergency housing for homeless individuals and families.

The City sent an invitation to the AIDS Network to sit on the Consolidated Plan Steering Committee, but we received no response. In addition, all mailed public notices regarding the Annual Plan and Strategic Plan were mailed to the AIDS Network, but no representative from the agency attended any of the Steering Committee Meetings. A City employee was able to contact a spokesperson via phone to discuss persons with HIV/AIDS in the community during the consolidated planning process.

Narrative

The City of Beloit has a good working relationship with all local agencies and governmental units. Community development personnel regularly attend local and state meetings held by various agencies to keep lines of communication open. Various agencies are contracted to provide CDBG funded public services. The Community Development Department works very closely with these organizations to ensure priorities are recommended based on actual needs.

AP-12 Participation - 91.401, 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

All meetings, application announcements, public comment periods, and public hearings regarding the Annual Action Plan are publicly noticed in the local newspaper, on the City's website, and the Plan and public notice are also sent to the public library. In addition, mailed notices go out to an active CDBG mailing list the City maintains of CDBG interested parties, which is a listing of community organizations and any other organization or individual who may benefit from receiving CDBG funding or has expressed interest in being on the list.

Each year the Annual Planning Process starts with setting local priorities at the June Community Development Authority (CDA) meeting. The CDBG Subrecipient Application is prepared to reflect those goals and is available to the public in mid-July. Applications are due in mid-August. Each Subrecipient Applicant is required to present their application and program proposals before the CDA during the August. Staff prepares a proposed CDBG Budget and Annual Action Plan at the September CDA Meeting, and the CDA members discuss, sometimes make changes, and make a recommendation to the City Council for approval. A 30-day public comment period typically runs from October 1 - 30. A public hearing is held at City Council during the public comment period at the second Council meeting in October. City Council reviews the CDBG Budget and Annual Action Plan at its first meeting in November and approves the final subrecipient allocations.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

There are no matching requirements for CDBG funds, but the City and local agencies will leverage CDBG with the following resources:

- Neighborhood Housing Services (now known as NWBR) uses HOME, NSP, Federal Home Loan Bank, and NeighborWorks funding to provide down payment assistance to households in the City's targeted neighborhoods.
- Community Action receives funding from a variety of state and federal sources for its Fresh Start program, including US Department of Labor YouthBuild; WI National & Community Service Board; The State of Wisconsin, Department of Commerce, Division of Community Development; American Recovery & Reinvestment Act; Community Service Block Grant; and the Wisconsin Employment & Training Assistance Program..
- Community Action of Rock and Walworth County also received CSBG, SHP, ESG, and private donations to help support their Fresh Start, Fatherhood Initiative, HUB Teen Connection, HUB Transitional Living, and Skills Enhancement programs.
- Community Action of Rock and Walworth Counties receives funding from United Way to continue the Fatherhood Initiative. This is a program which helps participants develop job skills to become gainfully employed while enhancing their parenting skills.
- The Merrill Housing Initiative has received HOME funds from the Rock county HOME Consortium. This program also receives funds through YouthBuild and other private and government sources.
- The business community has helped raise money for organizations such as the Merrill Community Center, Community Action, and Stateline Literacy Council.
- The Stateline United Way funds many of the social service agencies that are served by the City's CDBG funds to meet critical needs.
- Local churches provide funding to some organizations which assist homeless individuals such as Hands of Faith and Caritas.
- Community Action receives ETH funding which assists in supportive services and emergency needs of participants.
- The City of Beloit received HOME, Lead Hazard Control Grant in conjunction with CDBG for its City Housing Rehabilitation Loans. This keeps rehabilitation expenses at an affordable level for our LMI households and LMI housing providers.
- The City of Beloit continued to use NSP1 and NSP3 grant and program income funding to purchase and rehabilitate foreclosed properties in LMI Census Tracts. Completed homes are then sold to LMI households.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

AP-35 Projects - 91.420, 91.220(d)

Introduction

The City of Beloit's projects are grouped under five projects: Code Enforcement, Economic Development, Housing Rehabilitation, Planning-Program Administration, and Public Services. The Code Enforcement project includes both the City's citywide exterior inspection program and the interior systematic rental inspection program in our deteriorated neighborhoods. The Housing Rehabilitation project includes the City's Housing Rehabilitation Revolving Loan Fund. The Planning-Program Administration project includes program administration activities. The Public Services project includes activities that will be carried out by subrecipients which are individually listed in the table below.

Table 7 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

On June 22, 2016, the Community Development Authority approved the following local funding priorities in response to community input during the 2015-2019 Consolidated Planning process:

1. Public Service Programs which focus on comprehensive case management strategies, with priority given to neighborhood stabilization activities, education in budgeting and life skills, and employment training that corresponds with local employment opportunities.
2. Code Enforcement
3. Housing Rehabilitation
4. Economic Development Activities, with priority given to Technical Job Training
5. Program Administration
6. Fair Housing One of the obstacles to meeting the underserved needs in Beloit is lack of adequate funding or other non-financial resources to adequately address a particular problem. Insufficient funding precludes the City from appropriately addressing every worthy project and often includes allocating funding at less than optimal levels. The City does not fund programs which duplicate the work of other programs. Non-financial resource limitations include insufficient numbers of trained volunteers or staff to provide expertise and support for programs and language barriers.

CDBG funds will be used to support the program in the City's LMI census tracts. These census tracts have a high number of rental and deteriorated units. The code enforcement and inspection program requires landlords to maintain their properties to minimum HQS. Approximately 4,000 exterior and interior inspections will be performed in census tracts 16, 17.01, and 18.
	Location Description	Activities will be undertaken citywide, but will be partially funded with CDBG in the low-moderate income census tracts of 16, 17.01, and 18.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Beloit has two Neighborhood Revitalization Strategy Areas, which are listed below. The City will target funding in these areas for the Housing Rehabilitation Loan Program, Resource Navigation services, Community Social Worker services, Down Payment Assistance and Code Enforcement.

Census tract 16, block groups 1-4: Commonly referred to as the Hackett Neighborhood, this NRSA is located directly west of the Rock River and downtown. It is bound by Shirland Avenue to the south, McKinley Avenue to the west, Portland Avenue to the north, and Fifth Street and the Rock River to the east.

Census tract 18, block groups 1-4: Commonly referred to as the Merrill neighborhood, this NRSA is located north of downtown and east of the Rock River. It is bound by White Avenue, Park Avenue, and Woodward Avenue to the south, the Rock River to the east, Bayliss Avenue to the north, and Sherman Avenue and Prairie Avenue to the east.

The balance of CDBG funding will be provided City-wide, with priority given to areas with minority or low-income concentrations. Areas of minority concentrations are census tracts where the percentage of racial minority population exceeds the overall percentage of racial minority population for the City of Beloit. According to our Analysis of Impediments, drafted in 2012, there are minority concentrations within census tracts 16, 17, 18, and 23. With the exception of census tract 16, the previously mentioned census tracts have been areas of minority concentration since 1990. The Analysis of Impediments also identified areas of Hispanic or Latino concentrations within census tracts 16, 17, 18, 19, and 23. Both minority concentrations and Hispanic or Latino concentrations tend to be in areas close to the center of the City, which is the oldest part of the City.

The 2005-2009 American Community Survey data shows low-income census tracts in the City of Beloit as 15, 16, 17, 18, and 21. All of these census tracts also have high concentrations of very-low income households. Roughly 26% of households in the City of Beloit are living at incomes at or below 30% of the County Median Income. However, the City will not be dedicating a set percentage of funds to any minority or low-income area.

Geographic Distribution

Target Area	Percentage of Funds

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The City has defined Beloit's deteriorated and deteriorating areas as Census Tracts 16 and 18 and Census Tract 17, Block Group 1. Those Block Groups have a greater proportion of investor-owned

properties, substandard lots, and code violations than the City as a whole, and they also have the lowest property values and the greatest residential density. They are also low- to moderate-income areas.

Discussion

The City of Beloit has developed a neighborhood strategy that includes partnering with non-profit organizations, using our CDBG funding to address the most pressing needs in neighborhoods, housing assistance program, property acquisition programs, code enforcement and public infrastructure improvements.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The City updated its Analysis of Impediments to Fair Housing in January of 2012. The report concluded that the City has, and continues to, meet the goals of affordable and fair housing. City staff will continue enforcement activity in 2016. The City's zoning and development regulations are comprehensive and progressive and pose no barrier to affordable and fair housing goals for the City.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City plans has no such plans in 2016, as there are no policies in the City of Beloit that serve as barriers to affordable housing. However, the City has an approved NRSA for two neighborhoods in the City, which includes the following strategies:

Neighborhood Revitalization:

- Improve the quality of the housing stock.
- Reduce the number of vacant and abandoned properties.
- Increase the percentage of long-term residents in the neighborhoods.

Resident Empowerment:

- Increase programming for job training and life skills education.
- Create additional programming for youth, and facilitate coordination between local agencies that provide services to youth.
- Increase the involvement of residents in their neighborhoods.
- Connect residents to financial and supportive resources they need to be successful.

Public Safety:

- Implement Community Policing strategies.
- Enhance statistical data analysis in order to assist with crime analysis, goals, and strategic development.
- Improve transparency and communication regarding crime and prevalence of crime.

Discussion

The City of Beloit will ensure that the affordable rental units are decent, safe and sanitary and meet local codes through its systematic rental inspection program.

The City of Beloit will provide financial resources for owner-occupants to maintain their homes, through the Housing Rehab Loan Program, and Beloit Senior Chore Service, and NHS's Homeownership Program.

The City of Beloit will provide financial resources for landlords to upgrade their rental units through the Housing Rehab Loan Program, and Lead Hazard Control Grant Program.

The City of Beloit will also support efforts by others to rehabilitate current tax credit projects or develop new tax credit projects.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

The City has identified a target area to target additional non-CDBG resources for purchase-rehab-resale, demolition, and residential new construction. Since 2016, the City has completed three demolitions and two purchase-rehab-resales, and provided funding to non-profit partners that have completed one new construction home, and two purchase-rehab-resale homes. Funding sources included HOME, NSP1, NSP3, and local CIP funding.

Actions planned to address obstacles to meeting underserved needs

One of the key obstacles to meeting the underserved needs in Beloit is lack of adequate funding or other non-financial resources to adequately address a particular problem. Insufficient funding precludes the City from appropriately addressing every worthy project and often includes allocating funding at less than an optimal amount. The City does not fund programs which duplicate the work of other programs.

Non-financial resource limitations include insufficient numbers of trained volunteers or staff to provide expertise and support for programs and language barriers. The City will also partner with the non-profits and others to consolidate resources. The City is part of the Rock County Homeless Intervention Task Force which works to consolidate resources, financial and non-financial, to meet the needs of all of Rock County.

Actions planned to foster and maintain affordable housing

The City of Beloit will ensure that the affordable rental units are decent, safe and sanitary and meet local codes through its systematic rental inspection program.

The City of Beloit will support efforts by others to rehabilitate current tax credit projects.

The City of Beloit will provide financial resources for owner-occupants to maintain their homes.

The City of Beloit will provide financial resources for landlords to upgrade their rental units.

Actions planned to reduce lead-based paint hazards

The Rock County Health Department will continue to refer families of children with high lead levels to the City of Beloit's program. We work jointly to solve these problems.

The City of Beloit will allocate CDBG funds to provide grants for lead hazard reduction to be used in conjunction with its housing rehabilitation funds. The lead grant are used towards addressing lead based paint hazards, and the housing rehabilitation funds are used for other rehabilitation work needed to bring the home up to minimum property maintenance standards. The City of Beloit also will continue to expend Lead Hazard Control funds that were originally required to be expended by November of 2016. However the Rock County Lead Consortium requested and received an extension from HUD until June 2017. The City of Beloit also received extra funding from one of the Consortium partners in order to complete more projects within Beloit City limits.

The City of Beloit Community and Housing Services Division requires all contractors hired through the Housing Rehabilitation Loan program to be certified lead safe, ensuring all work completed in project homes is performed in a lead safe manner and with lead-free replacement products.

The City will continue to operate the Rental Inspection program. Every rental unit in the City is inspected at least once every three years by inspection officials who are trained to look for lead risk in all units, such as peeling and chipping paint. If violations are found, orders are written to correct the lead hazard, information is sent to the property owner explaining how to fix the problem, Housing Rehab Loan information is also provided. If the property owner does not repair the hazard a citation may be issued.

Actions planned to reduce the number of poverty-level families

Through local partnerships, the City is increasing employment while educating citizens and providing life improvement skills.

- The City will support programs that provide assistance to persons to increase their job skills and marketability.
- The Beloit Housing Authority will continue its Family Self-Sufficiency Program.
- The Beloit Housing Authority will continue to provide homeownership opportunities to Section 8 participants in cooperation with NHS (now known as neighborWorks Blackhawk Region or NWBR).
- The City will support non-profit organizations that provide assistance and advocacy to low- and moderate-income residents.

- The City will use the Economic Development Revolving Loan Fund to increase the number of living wage jobs to low- and moderate-income persons in the community. The Housing Authority requires all public housing residents to perform 8 hours of community service per month when the participating adult is unemployed. By doing this, adults are learning new skills, acquiring self confidence and opening doors for new opportunities. The Housing Authority offers case management to families which includes budgeting classes, mentors, educational opportunities, and preferences with local employers. Through local partnerships, the City is increasing employment while educating citizens and providing life improvement skills.

Actions planned to develop institutional structure

The City of Beloit will work with non-profits, public institutions and the private sector to implement the Consolidated Plan and Annual Plan. The City will continue to utilize the Community Development Authority (CDA) for review of the Consolidated Plan, annual action plans, proposed CDBG funding and any CDBG budget amendments.

Actions planned to enhance coordination between public and private housing and social service agencies

The City is an active participant on several committees and boards including African American Infant Mortality Coalition, Homeless Education Action Team, and the Homeless Intervention Task Force. Additionally, a City Council member is appointed to the Community Action Board. The City also has a good relationship with Rock County's Community Development and Health departments, and the City Manager meets with Rock County officials on a regular basis.
