## Grinnell Senior Center Holding AARP Driver Safety Class

April 9, 2018 - The Grinnell Senior Center is pleased to announce that it's hosting an AARP driver's safety class this month. Class participants will learn the current rules of the road, defensive driving techniques and how to operate their vehicle more safely in today's increasingly challenging driving environment.

Additionally, this class will cover how drivers can manage and accommodate common age-related changes in vision, hearing and reaction time. Plus, class participants may be eligible to receive an insurance discount upon completing the course, so they should consult their insurance agent for details.

The course will be held from **8:30 a.m. to 12:30 p.m. Friday, April 27**, at Grinnell Senior Center, 631 Bluff St. The cost is \$15 for AARP members and \$20 for non-members.

"Cars have changed. So have traffic rules, driving conditions and the roads you travel every day," said Paula Schutt, senior center coordinator. "Some drivers, age 50-plus, have never looked back since they got their first driver's license, but even the most experienced drivers can benefit from refreshing their driving skills."

To pre-register, call Grinnell Senior Center at 608-364-2875.
