**Krueger-Haskell Golf Course Welcomes New Food & Beverage Vendor,
Updated Rates & Seasonal Specials**

April 9, 2018 - The City of Beloit is welcoming a new food and beverage vendor to the Krueger-Haskell Golf Course this summer and is introducing several new specials and reduced rates.

Jim Agate and Bill Lock, owners of The Rock Bar & Grill and Culver's of Beloit, will operate Putterz Pub inside the golf course's clubhouse at 1611 Hackett St. in Beloit. Putterz Pub officially opened for the season on Monday, April 2. Krueger-Haskell re-opens at 10 a.m. Tuesday, April 10.

"The Agates and Bill Lock are proven foodservice industry leaders," said Mark Young, manager of golf operations at Krueger-Haskell. "We are looking forward to taking our food and beverage operations to the next level with their leadership and oversight. Our golfers will love this addition to our beautiful course."

The contract for the golf course's food and beverages operations was approved unanimously by the Beloit City Council.

Putterz Pub menu includes appetizers, breakfast foods, wraps, and hot sandwiches, such as burgers, brats, hot dogs, tuna melts and grilled cheese sandwiches.

"All of our restaurants have been successful based on providing excellent service, serving a quality product with the best ingredients and embracing the community," said Terri Agate, operations manager for Putterz Pub, The Rock Bar & Grill, and Culver's of Beloit. "We are really excited to be joining forces with the City of Beloit and look to make this year at the golf course one of the best!"

The food and beverage operations aren't the only new changes to the golf course this year. Improvements were made to the course during the off season, as well as additional signage designed to increase the speed of play.

Krueger-Haskell also has reduced regular seasonal and daily rates to attract more individuals to the game of golf and to be competitive with other area golf courses while simplifying the number of fees the golf course offers.

Additionally, Krueger-Haskell is offering new specials for the spring season and a 10-play pack that result in even lower costs for golfers across the board. The spring golf special lasts through May 31, 2018, and includes 18 holes of golf with a cart for \$24.99 for residents and \$26.99 for non-residents. A 10-play pack for 18 holes of golf is \$169 for residents and \$189 for non-residents; a 10-play pack for 9 holes of golf is \$99.99 for residents and \$119.99 for non-residents. Tax is not included in any of the rates.

Corporations can also take advantage of the new corporate memberships for business needs. Any corporation or business can purchase a foursome pack for 18 holes of golf with a cart per day for the season at \$2,995 plus tax. At least one member of the foursome has to be an employee of the business or corporation, but the other three members can be employees, guests, vendors, customers, etc. Passes must be presented at the counter each time they are used.
