No Parking Along Memorial Day Parade Route

May 21, 2018 - The City of Beloit Police Department wants to remind residents that there will be no parking allowed along the United Veteran's Memorial Day parade route on Monday, May 28, 2018. Vehicles that are parked along the route will be towed starting at 3 a.m. Monday, May 28.

Overnight parking in the downtown area is already prohibited from 3 a.m. to 6 a.m. daily. Temporary signage will be placed along the route to warn individuals that vehicles could be towed if they are parked along the parade route in violation of the signs.

The Memorial Day parade begins at 9 a.m. Monday, May 28, 2018, in South Beloit. The parade route goes into the City of Beloit at State Street and continues on northbound State Street and extends eastbound on East Grand Avenue until it reaches Horace White Park at the intersection of Park and East Grand avenues.

Parking is also prohibited in the parking stalls on Bushnell Street adjacent to Horace White Park as those stalls are reserved for buses that will be picking up band members at the end of the parade.
