At 6:30 p.m., the City Council will hold a Workshop in the City Manager's Conference Room to review the agenda of the regular 7:00 p.m. City Council meeting. Please click [here](#) to view the agendas and regular Council meeting packet.

3. SPECIAL ORDERS OF THE DAY/ANNOUNCEMENTS

- a. Introducing newly hired and promoted employees
- b. Proclamation recognizing Beloit Memorial High School Class of 1963 55th Reunion, September 28-30, 2018

6. CONSENT AGENDA

All items listed under the Consent Agenda are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member so requests, in which event the item will be removed from the General Order of Business and considered at this point on the agenda.

- a. Consider approval of Minutes of the special August 27 and regular meeting of September 4, 2018.
- b. Consideration of Resolution 2018-159 awarding Public Works Contract C18-38 Gateway Path Improvements and Gap Filling. This project will result in spot repairs to the existing multi-use path along Gateway Boulevard and extends the 10' wide path approximately 50 lineal feet near the Eagles Ridge/Raven Drive intersection and approximately 125 lineal feet near the Eagles Ridge/Quail Run intersection for connectivity in the Eagles Ridge Subdivision. Three bids were received with the lowest bid submitted by Frank Bros., Inc.
- c. Consideration of Resolution 2018-158 awarding Public Works Contract C18-22 Gateway Detention Basin "A" Regrading. The Gateway Detention Basin "A" will be regraded to repair erosion and sediment deposits as part of this project. The side slopes have eroded due to runoff from the farm fields, causing sediment deposits in the bottom of the pond. The build-up has created water pockets that are hard to mow and allows trees to grow. A turf reinforcement mat and scour stop will be installed to prevent the areas from eroding again in the future. Two bids were received with the lowest bid submitted by Jeff Voegeli Landscaping.
- d. Consideration of Resolution 2018-164 authorizing final payment of Public Works Contract C18-02, painting of the 5th Street path bridge over the Rock River. The requirements of the contract have been completed to the satisfaction of the City. Adequate funding is available.
- e. Consideration of Resolution 2018-160 awarding Public Works Contract C18-39 Gateway Business Park Watermain. This project will extend watermain between Gateway Boulevard and Colley Road. This eliminates a long dead end main and will improve water quality on Colley Road east of Gateway Boulevard.
- f. Consideration of Resolution 2018-166 authorizing the submittal of a grant application to the Wisconsin Department of Administration to assist in the funding for a transit bus replacement - VW settlement. The funding for this transit capital assistance grant program is a result of judicial consent decrees that Volkswagen entered to partially settle its civil liability for the Clean Air Act violations in 2016 and 2017. The City of Beloit is eligible to apply for transit bus replacements under this program. There is a grant opportunity to fund up to 80% of the cost of a replacement 35' foot heavy duty transit coach. The bus to be replaced is the oldest bus in the fleet - a 2006 model with almost 500,000 miles.
- g. Consideration of Resolution 2018-169 approving a Lease Agreement between the City of Beloit and the Beloit Youth Hockey Association, Inc. The Beloit Youth Hockey Association (BYHA) serves approximately 250 youth ages 4 - 19 from Beloit and the surrounding Stateline area. BYHA rents the Ice Arena for a minimum of 800 hours between October and March. The initial term of the lease shall commence on October 1, 2018 and shall terminate on March 31, 2019. BYHA will have the option to renew this lease for two additional hockey seasons.

- h. Consideration of Resolution 2018-168 approving an Intergovernmental Cooperation Agreement related to the Analysis of Impediments to Fair Housing for the Rock County HOME Consortium. Title VIII of the Civil Rights Act of 1968 (the Fair Housing Act) requires the Department of Housing and Urban Development (HUD) to administer its programs in a way that affirmatively furthers fair housing. The laws that establish the Community Development Block Grant (CDBG), the Comprehensive Housing Affordability Strategy, CHAS), and the Public Housing Agency (PHA) Plan all require jurisdictions to certify in writing that they affirmatively further fair housing. This is defined in the CDBG and Consolidated Plan regulations as having an Analysis of Impediments to Fair Housing Choice, taking appropriate actions to overcome the effects of impediments, and keeping records reflecting the analysis and showing actions taken. An AI must be updated on the same timeframe as the Consolidated Plan Updates. Our Consolidated Plans will be updated in 2019.

7. LICENSES

- a. Consideration of Resolution 2018-167 for approval/denial of 2017-2019 applicants for an Alcohol Beverage Operator's (Bartender's) License for period August 28 - September 11, 2018.

9. APPOINTMENTS

The individuals named below have been nominated for a seat on a city board, committee or commission. Each nomination is subject to confirmation by the City Council, approval of appointment will be accomplished by one motion unless a council member requests to take up a nomination separately, in which event the nomination will be removed from the General Order of Business and considered at this point on the agenda.
