## Krueger-Haskell Golf Course Hosting Grand Reopening Celebration

**May 2, 2019** - With the completion of its clubhouse renovations, the City of Beloit is hosting a grand reopening celebration at the Krueger-Haskell Golf Course, 1611 Hackett St., in collaboration with its food/beverage operator Putterz Pub.

The grand opening begins with a ribbon cutting at 4 p.m. Thursday, May 9. After the ribbon cutting there will be activities for children, including free putting lessons and face painting, until 6 p.m. Hot dogs will be free for kids ages 12 and under (limit 1 per child) from 4:30-6 p.m. Yard games will be available from 4:30-7 p.m.

The headliner for the evening, Distilled, an acoustic regional band, will provide a wide variety of music and entertainment from 6:30-9:30 p.m.

The clubhouse project started last summer with the locker rooms and restrooms being remodeled. Over the winter and spring, a brand new bar and flooring was installed, as well as the interior being repainted to lighten the inside of the building. These projects gave the clubhouse a much-needed face lift as the city looks to use the facility year-round.

This project was completed through Hendrick's CareerTek's construction academy with the support of CCI.

"We are so thankful for our partnership with Hendrick's CareerTek to transform this facility into something the entire community can enjoy throughout the year," said Laura Pigatti Williamson, public works director. "We hope our golfers and the entire community enjoy all of the enhancements. Swing on by to check out this Beloit gem - even if you aren't a golfer."
