Grinnell Hall Hosting Free Advanced Care Planning Workshop

May 6, 2019 - Learn how to ensure your healthcare decisions are carried out by communicating wishes with family, loved ones and health care providers during Grinnell Hall's advanced care planning workshop.

This free event will be held from 1-2 p.m. Tuesday, May 14, at Grinnell Hall, 631 Bluff St.

Advanced care planning is a process of considering values and wishes, and making decisions about the care we would like to receive towards the end of our life. Join us as Dean HealthPlan, a member of SSM Health, presents important information and guides you on making your plans. Class is open to the public.

If you are interested in taking this class, please contact Grinnell Hall at 608-364-2875.
