Wisconsin State Statutes, the Wisconsin Administrative Code, and the Municipal Code of the City of Beloit require that, at the end of the fiscal year, a full and complete examination of all books and accounts of the City be made by a certified public accountant and that the report be filed with the City Clerk/Treasurer as a matter of public record. This CAFR fulfills these requirements. The full CAFR document is available [\[here\]](#).

The PAFR includes information from the CAFR while being readily accessible and easily understandable to the general public and other interested parties without a background in public financing. Read the full PAFR document [\[here\]](#).

- a. Introducing newly hired and promoted employees

**4. PUBLIC HEARINGS**

- a. Consideration of Resolution 2019-080 adopting 2020 Community Development Block Grant (CDBG) Local Funding Priorities. CDA recommendation for approval 4-0. The CDA recommends that setting priorities for funding will ensure allocation to projects which will meet the greatest needs for the dollars spent. It is recommended that the funding be spent on:
  - Public Service Programs that provide comprehensive case management services, with priority given to supportive housing programs, resource navigation, advocacy, education in life skills, job training, transportation, and activities which meet one of the NRSA objectives.
  - Code Enforcement
  - Housing Rehabilitation
  - Public Facility Improvements
  - Fair Housing
- b. Consideration of Ordinance No. 3657 to amend Section 8-500 of the Zoning Ordinance, Chapter 19 of the Code of General Ordinances of the City of Beloit pertaining to number of buildings on zoning lots. Plan Commission recommendation for approval 5-0. First reading. The purpose of the Zoning Text Amendment is to clean up the Planned Unit Development regulations in advance of major multi-building projects.

**6. CONSENT AGENDA**

*All items listed under the Consent Agenda are considered routine and will be enacted by one motion. There will be no separate discussion of these items unless a Council member so requests, in which event the item will be removed from the General Order of Business and considered at this point on the agenda.*

- a. Consideration of Resolution 2019-100 approving Change of Agent on the Class “B” Beer license for Board of Trustees of Beloit College, d/b/a Beloit College Coughy Haus, located at 708 Clary Street from Darryl C. L. Smith to Nathan A. Brault for period ending June 30, 2020. ABLCC recommendation for approval 4-0.
- b. Consideration of Resolution 2019-089 approving the Final Plat for the Oaks, No. 2. R.H. Batterman & Co., Inc. has submitted the Final Plat of The Oaks, Plat 2 for the 19-acre property located at 2750 Rachel Terrace. The applicant has proposed the construction of a second phase of The Oaks subdivision consisting of 21 new single-family lots, an out-lot for storm water detention, and an unbuildable lot to be subdivided in the future. The subject property is already zoned R-1A, Single-Family Residential.
- c. Resolution Awarding Public Works Contract C18-12 City Hall Window Replacement. This project will result in the replacement of the stacked windows and metal siding on the south face of City Hall. The window and siding system is beyond its intended life span, and has been the historical source of leaks into the building including the IT main server room. Two bids were received for this project, with the low bid coming from Klobucar Construction Co., Inc. The Engineering Division recommends awarding this contract to Klobucar Construction Co., Inc.
- d. Consideration of Resolution 2019-101 approving a Development Agreement between the City of Beloit and American

Builders and Contractors Supply Co., Inc. ABC Supply Co. is in the process of constructing a new four-story office building on the property located at 3 ABC Drive. The City Council approved a Conditional Use Permit (CUP) for this project in 2018, and a Certified Survey Map (CSM) was approved by the Plan Commission in May, 2019. This project necessitates public improvements, and the Development Agreement outlines the applicant's responsibilities with respect to abandoning, relocating, extending, and/or constructing public facilities and infrastructure as necessary to accommodate this project. The public improvements include sanitary and storm sewers, a water main, sidewalk, and traffic improvements recommended by a Traffic Impact Analysis (TIA). As recommended by the applicant's TIA dated December 10, 2018, a new traffic signal will be installed at the intersection of White Avenue/STH 81 and Prince Hall Drive prior to final building occupancy. In addition, the northbound left turn lane on Park Avenue will be extended before the Park Avenue and White Avenue intersection as recommended by the TIA. This project will include a public sidewalk, along with improved pedestrian crossing at the new traffic signal. The proposed improvements will be constructed at the developer's cost and then dedicated to the City, unless the City's TEA Grant application is successful, in which case the City will construct the traffic improvements.

- e. Consideration of Resolution 2019-092 authorizing the City Manager to submit an application for a Transportation Economic Assistance (TEA) Grant from the Wisconsin Department of Transportation. The TEA Grant may provide \$5,000 of funding for each job created and guaranteed and a 50% local funding requirement. A CIP budget amendment will be required if the grant is received. Funding will be provided by the Developer for the local match requirements.
