Oct. 15, 2019 -Grinnell Hall Senior Center recently attained re-accreditation from the Wisconsin Association of Senior Centers (WASC) on June 11, 2019, and was presented its award at the WASC Conference on Oct. 3.

Grinnell Hall completed the initial accreditation in December 2012. WASC accreditation process brings clarity to Grinnell Hall operations, provides direction for current and future services and programs, identifies areas to be expanded or strengthened, and promotes efficiency and organization.

“Thank you to the committee who worked so diligently and spent over 250 hours on the process,” said Debbie Kraus, senior center manager. “We are proud to have the volunteers and staff who provide programs, activities and socialization to individuals age 50 and over.”
