Water Utility Employees

We recently received a complaint of a male posing as a City of Beloit Water Utility employee in order to gain access to a resident's home. Our water employees (pictured here) carry a City of Beloit ID card and will be in white city vehicles, clearly marked with a City of Beloit logo (a mix of old and new logos, depending on the age of the vehicle). If in doubt, ask to see their city ID!

City of Beloit Flag

Yes! The City of Beloit has a flag and it is available for purchase at the Treasurer's office, 2nd floor City Hall for \$64.95 each.

The Beloit Flag was designed for the Beloit Pageant in 1916. To quote an article from the January 21, 1957 "Beloit Daily News:" "The Pageant Flag is banded bright and broad, with prairie colors of the grass and grain." The blue band signifies that "the river unifies-and not divides." The central shape suggests the flaming wheel of progress.
