# Beloit Report

## Krueger Pool Opening July 9th

### Swim Goggles Optional!

The Krueger Municipal Pool is scheduled to open on Thursday, July 9th. We will also open the brand-new Splash Pads in Vernon Park and Summit Park in Mid-July.

Stay tuned to learn about what changes and precautions will be in place to help prevent the spread of COVID-19 in our community.

### Fireworks Safety

"Leave fireworks to the experts," advises Beloit Fire Chief Dan Pease.

Be kind to your neighbors and our fearful pets, and don't use illegal, loud fireworks. Consider using safer alternatives such as glow sticks, confetti poppers or colored streamers.

### Riverside Park in Beloit Closing at 10 p.m. Daily this Summer

The park hours previously allowed for a midnight closure due to special events in the park. Because special events have been cancelled this summer as a result of COVID-19, there is no longer a need to keep the park

open past 10 p.m. Additionally, there have been some late night incidents in the vicinity that caused us to re-evaluate the park hours. The updated hours will allow for uniform park closure times throughout the City of Beloit.

## Portion of White Avenue Closed for Concrete Repair Project

White Avenue (State Highway 81) is closed in both directions between Milwaukee Road and Prairie Avenue for concrete repair through July 22, weather permitting. The official detour, including truck traffic, will be using Cranston Road and U.S. Highway 51.

## Beloit Farmers' Market Expands

The Beloit Farmers' Market will be open from 9 am to 12 pm every Saturday from June - October, rain or shine. After reviewing the safety plan and the first two weeks of operations, the City of Beloit Emergency Operations Center made the determination to increase the capacity at the Beloit Farmers' Market to 300 guests, 47 vendors, and to allow vendors on both sides of the street.

Physical distancing requirements and safety precautions will remain in place. The use of cloth face coverings is highly recommended. You are encouraged to send only one member per household to allow others to attend the market.
