Census
2020

Beloit Counts. You Count. Shape Your Future! *Please respond to the Census*

The U.S. Census informed us they will be doing their enumerating campaign here in Beloit on August 22 - 23.

Census takers will wear masks and follow local public health guidelines when they visit your home.

Census takers are hired from our area, and their goal is to help you and everyone in your home be counted in the 2020 Census. If the census taker who visits your home does not speak your language, you may request a return visit from a census taker who does speak your language.

Census takers work between 9am and 9pm, including weekends. If no one is home when the census taker visits, the census taker will leave a notice of their visit with information about how to respond online, by phone or by mail.

If you respond online or by phone today, a census taker is less likely to have to visit your home to collect your response.

If someone visits your home, make sure they have a valid ID badge with their photo, a US Dept. of Commerce watermark, and an expiration date. Census workers may also carry Census Bureau bags and other equipment with the Census Bureau logo.

The Beloit Public Library is now open for the use of computers. The Census questionnaire takes about 10 minutes to complete.
