City of Beloit Taking Tree Planting Requests

September 9, 2020 - The City of Beloit Parks & Recreation Division is currently accepting requests from residents for terrace trees to be planted this fall.

The terrace tree species selection will be determined by the city forestry supervisor while taking into account the size of the terrace, presence of utilities and exotic invasive insects. Trees will be planted on a first-come, first-served basis; a limited supply is available. Forestry will accept requests through Friday, September 18, 2020.

To be placed on the list, please call (608) 364-2929.
