# Beloit Report

## We Remember

We will spend the 20th anniversary of the September 11, 2001, terrorist attacks mourning the loss of life, appreciating the sacrifices of first responders, and reflecting on how our nation came together in the midst of tragedy.

STATELINE AREA  
TRANSPORTATION STUDY

## SLATS 2045 Long Range Transportation Plan - DRAFT Available for Review

Once adopted, the plan (and subsequent updates) will guide transportation system investments in the Stateline area for the next two decades.

Please take a few minutes to review the draft plan and send us any comments you may have. Visit [www.SLATS2045LRTP.com](http://www.SLATS2045LRTP.com) and click on "Review Draft 2045 LRTP." You can access the draft plan and find instructions for leaving comments with that link.

The public is invited to an Open House on **Tuesday, September 14th**, for anyone who wants to discuss the plan in person. The open house will be held from 4:00 - 6:00 p.m. at the Utilities and Engineering Facility, 2400 Springbrook Ct.

## Hospitals and Healthcare Facilities Experiencing High Volume of Inpatients

The City of Beloit has been asked to share a message on behalf of South Central Wisconsin Healthcare Emergency Readiness Coalition.

Hospitals and healthcare facilities throughout southcentral Wisconsin are experiencing a high volume of inpatients, limiting hospital beds and putting a strain on resources.

Hospitals are urging everyone to continue being vigilant with COVID-19 safety measures, such as receiving a COVID-19 vaccine, masking, and physically distancing where appropriate.

## Splash Pads Open This Weekend

With higher than average temperatures predicted for this weekend, the splash pads at Vernon and Summit parks are open! While we close for the season after Labor Day weekend, we made the decision to re-open them so you can cool off this weekend!

City of Beloit staff will be treating the Riverside Park lagoon to control an invasive aquatic plant called Eurasian Watermilfoil. The treatment plan will utilize an aquatic herbicide approved by the DNR and applied by a State licensed contractor. The rates of herbicide that will be used for the application will pose no danger to fish, wildlife, pets, or humans. The proposed treatment will occur between September 13 and October 1, 2021.
