April 26, 2022 - The City of Beloit Public Works Department is currently accepting requests from residents for terrace trees to be planted this spring. Trees will be planted on a first-come, first-served basis.

The terrace tree species selection will be determined by the city forestry supervisor while taking into account the size of the terrace, presence of utilities and exotic invasive insects. Trees will be planted on a first-come, first-served basis. A limited supply is available. Forestry will accept requests through Friday, May 20, 2022.

To be placed on the list, please call (608) 364-2929.
