Beloit City Hall Reopening Planned for July

June 9, 2022 - The renovation project at City Hall is coming to completion, and a ribbon cutting will be held at 6 p.m. Tuesday, July 5, to officially reopen to the public starting at 8 a.m. Wednesday, July 6.

**City Hall Ribbon Cutting
6pm Tuesday, July 5
Beloit City Hall - Second Floor
100 State St., Beloit**

Renovations included enhanced safety and security for the second and third floors and an upgraded heating and cooling system to provide improved ventilation in a post COVID-19 world. The floors have not been remodeled since the original construction was completed in 1983 and presented a significant safety and security risk in a modern world.

The renovations started in January 2022 while City of Beloit offices were still closed to face-to-face interactions due to COVID-19. All other city facilities have reopened to in-person visitors with the exception of City Hall due to the ongoing renovations.

The first floor of City Hall remained open throughout the COVID-19 pandemic and the renovations.
