USS Beloit Christening Celebration Postponed Due to Weather

June 20, 2022 - A free public event to celebrate the christening and launch of the USS Beloit at ABC Supply Stadium has been postponed due to the forecasted extreme heat on Tuesday, June 21. The event is being rescheduled for 5:30 p.m. Wednesday, September 7.

The National Weather Service has issued a hazardous weather outlook for Tuesday, with the heat indices expected to be between 100 and 105 degrees. There is also a slight chance for a few thunderstorms late Tuesday afternoon and evening.

“While we looked forward to celebrating this event with the community, we are concerned that the heat will have devastating impacts on vulnerable individuals in the audience, especially the older veterans this event is sure to draw,” said Jen Hall, economic development director for the City of Beloit.
