Beloit Police to Install License Plate Readers, Cameras With Donation from Greater Beloit Area Crime Stoppers

July 7, 2022 -- The City of Beloit Police Department is grateful for a donation from the Greater Beloit Area Crime Stoppers that will provide tools to help build a safer Beloit.

The City of Beloit Police Department is using a \$20,000 donation to install license plate readers and cameras throughout the Beloit community. These devices are only used for critical incidents and not for routine traffic violations. The department has several cameras throughout the city that have led to the apprehension of several suspects of violent crimes that occurred in our community.

“We look forward to continuing our long-lasting partnership with the Greater Beloit Area Crime Stoppers organization and also our community members as we strive to move toward our goal of creating safe neighborhoods built on trust and unity,” Chief Sayles said.

###

Sincerely,

A handwritten signature in blue ink that reads "Andre Sayles". The signature is fluid and cursive, with the first name "Andre" and last name "Sayles" clearly legible.

Andre Sayles
Chief of Police
