Grinnell Hall Senior Center Hosting Memory Screening Event

July 11, 2022 - Appointments are available for a free memory screening at Grinnell Hall Senior Center on Monday, July 18.

Memory screening is an important part of your health care planning. Karen Tennyson, Rock County dementia care specialist, will be at Grinnell Hall Senior Center to provide the free memory screenings.

This is not a diagnostic screening but rather used to start the discussion, encourage early detection and promote conversation with the primary care physician. There will be time to answer questions and assist with next steps. With your permission, the results can be shared with your primary care doctor.

Appointments are every 30 minutes and will be available between 1:30pm and 3:30pm. Sign up for an appointment by calling Grinnell Hall at 608-364-2875. Grinnell Hall is located at 631 Bluff St.
