Grinnell Hall Hosts Visit to Merrill Community Garden, Nutrition Demonstration

July 27, 2022 -- Take a tour of the Merrill Community Sharing Garden with garden manager Kaelyb Lokrantz. Grinnell Hall Senior Center will visit the garden and hold a nutrition demonstration from 9am to 10:15am Thursday, August 11.

The garden encompasses three conjoined residential lots that were reclaimed and turned into almost an acre directly located in the City of Beloit. The garden produces food for the Merrill neighborhood and is a site that provides habitat for native plants and species.

University of Wisconsin-Extension nutrition educators will be on site to do a nutrition demonstration.

The garden has mulch pathways that connect the different properties. Tennis shoes are recommended.

The Merrill Community Sharing Garden is located at 1322 Porter Ave., Beloit. Parking is located on Yates Avenue directly in front of the garden. We will meet at Grinnell Hall at 8:40am to follow each other to the location or you can drive there yourself. Free of charge and open to everyone. Please call Grinnell Hall at 608-364-2875 to register for this event.

Grinnell Hall is located at 631 Bluff St. Beloit.
