**Volunteer spotlight
Bobbie Pann**

Bobbie began volunteering in 2011 when she was laid off work and wanted to find purpose to give to a worthy organization. She has volunteered at the reception desk, gift shop, plant sale, class instructor, lunch program, decorating at Grinnell and singing at her church. She volunteers because it is rewarding, provides a great sense of purpose and has made many cherished friendships. Bobbie also plans all the trips for Grinnell Hall. Bobbie is married to Harold Pann, who also does volunteer work around Grinnell. They have three sons, several grandchildren and spend their winters in Surprise, Arizona. Thank you Bobbie, and Harold, for all you do for Grinnell and the community.

Hello Grinnellers!

It might not be the actually date for winter, Wednesday, December 21, but Mother Nature is giving us a preview! Please make sure that you dress appropriately even if you are only going a short distance because you never know what can happen. I always keep extra socks, mittens and hat in my car year round for myself and passengers.

We had a wonderful Veteran's Day Ceremony and it was great to have almost 80 in attendance and show our respect with the Veterans.

The Holiday Bazaar is going on right now and we could not do it without the volunteers that have donated items and their time, thank you so much. We use funds to enhance Grinnell Hall and activities and if you have a suggestion please let us know. I am looking forward to bringing in 2023 and hope you can join us for the New Year event!

Happy Holidays, Debbie Kraus, Senior Center Manager

All in the Family Tuesday, December 13 at 1:00pm Stories of Christmas Past

What is All In the Family? It is a group of "strangers" coming together to become "good" friends and a support group for all. Come and join us, "you are only a stranger the first time". A comment from one of the Participants: "This group of wonderful people came into my life just in time. I had lost my husband and felt lonely and was in a dark place. This group of friends literally saved my life." Remember you can never have too many friends. We are working on getting to know each other and building friendships with each other and creating our own "family" right here at Grinnell. There are many reasons people might not have family around - widows or widowers, never had kids, siblings not in the area, etc. Don't be shy - you will be glad you joined

Medicare

Time to Review Your Medicare Plan *Prepare Early This Year!*

Do you have a Medicare Prescription Drug (Part D) plan? Every year Medicare Part D plans can change the list of prescription medications they will cover. That means even if you are taking the same medications, the amount you pay for your medications may change in 2023! The plans’ premiums, deductibles, and co-pays can also change each year.

What can you do about this? All Medicare beneficiaries should check their Part D coverage each year during Medicare’s annual open enrollment period which runs **October 15 through December 7**. This is the time of year to find out if your current plan will cost you more, or less than other Part D plans in 2023. If it is no longer the best plan for your medications, this is the time to make a switch to a Part D plan that will suit you better. Make sure you will have appropriate prescription drug coverage in the new year. You can compare plans on the official Medicare website at Medicare.gov. Medicare beneficiaries in Rock County can also receive free, unbiased assistance with plan comparisons from the Elder Benefit Specialist of **Rock County Council on Aging**. Start preparing early this year. The Council on Aging has a form with instructions to help you get organized. Don’t let this opportunity pass you by! Go to Medicare.gov to compare plans online or for local assistance call Lachel Fowler at (608)757-5414.

Book Club Lilac Girls Monday, December 19 1:00-2:00pm

Historical Fiction New York socialite Caroline Ferriday has her hands full with her post at the French consulate and a new love on the horizon. But Caroline’s world is forever changed when Hitler’s army invades Poland in September 1939 and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, senses her carefree youth disappearing as she is drawn deeper into her role as courier for the underground resistance movement. In a tense atmosphere of watchful eyes and suspecting neighbors, one false move can have dire consequences. For the ambitious young German doctor, Herta Oberheuser, an ad for a government medical position seems her ticket out of a desolate life. Once hired, though, she finds herself trapped in a male-dominated realm of Nazi secrets and power. The lives of these three women are set on a collision course when the unthinkable happens and Kasia is sent to Ravensbrück, the notorious Nazi concentration camp for women. Their stories cross continents—from New York to Paris, Germany, and Poland—as Caroline and Kasia strive to bring justice to those whom history has forgotten. Books available for pick up at Grinnell, return at Book Club meeting.
