**City Council to Hold City Manager Interviews in January**

**December 23, 2022** -- The Beloit City Council will interview seven candidates for the position of city manager in early January 2023.

The City Council held a special meeting on December 20, 2022, to review the applications and determine which applicants should participate in the first round of interviews.

City councilors independently reviewed candidate application materials. Finalists have not yet been selected; the City Council will have a public component to the screening process with finalists prior to making a selection.

“The Beloit City Council looks forward to learning more about these candidates,” said Regina Dunkin, Beloit City Council President. “We are committed to a thorough, transparent process and will continue to keep the community informed throughout the process.”

The City Council is working with Baker Tilly, a public sector executive search firm.
