Beloit Fire Department Urges Fire Safety

The City of Beloit Fire Department is reminding residents to practice fire safety as it has seen an increase in house fires this holiday season.

Each Thanksgiving, the department displays a wreath at Headquarters, 1111 Church Street. It starts with all green bulbs. The bulbs are changed to red for every residential fire and blue for every fatal fire that occur during the holidays. The goal is to keep the bulbs green through New Year's Day. Unfortunately, the wreath currently has five red bulbs to represent the five house fires in the City of Beloit this holiday season.
