The City Council has been invited to Public Information Meeting (PIM) #2 for the Wisconsin Highway 81 (WIS 81) corridor study being conducted by the Stateline Area Transportation Study (SLATS) and the City of Beloit. This study extends from WIS 213 (Madison Road) to Milwaukee Road and includes portions of Liberty Avenue, Fourth Street, Portland Avenue and White Avenue. The study will evaluate traffic operations, traffic safety, roadway and intersection geometrics, access and multimodal accommodations along the roadway, and recommend solutions to address current and anticipated corridor deficiencies. There is no construction project associated with this study or its recommendations at this time.

This meeting will introduce and discuss alternatives that were developed to meet the study's purpose and goals. This meeting is open to the public to attend, view, and comment on the alternatives. If you are unable to attend this meeting, electronic files of the exhibits and an audio recording of the meeting will be provided on the City's website. If you have questions or comments, please contact the SLATS office at 100 State Street, Beloit, WI 53511, e-mail: neet@beloitwi.gov, phone (608) 364-6702.

A quorum of City Council may be present, but no official business will occur at this event.
