City Hall Small Parking Lot Closed May 3

The small parking lot at City Hall will be closed on May 3rd (subject to weather).

A roof top unit that is instrumental for heating and cooling the 2nd, 3rd and 4th floors at City Hall is scheduled to be replaced. The crane that

will lift the new unit into place is scheduled to arrive on May 3rd and will be placed in the small parking lot. For reasons of positioning the crane and for safety to people on the ground, the small parking lot will be closed for the entire day. Employees and the public should park in the main lot with access from Shirland Ave. All deliveries should be routed to come in from Shirland Ave.

The drop box in the circle will remain accessible.

Open Book and Board of Review Information

If you feel that your property assessment is incorrect, there is a process to follow to rectify it.

First, talk to the Assessor. Open Book is the second step in the assessment appeals process. Here, property owners have an opportunity to compare their assessed value with similar properties within the City.

The assessment roll for the year 2023 will be open for examination from May 1-10, between 9am and 3pm in the 1st floor lobby of City Hall, 100 State Street.

Not Affiliated with the City of Beloit

Postcards similar to this are being received by

residents in the Beloit area. These notices are NOT affiliated with the City of Beloit. We advise that you ignore and discard the notices. Any water quality notices would come directly from the City of Beloit.

If you have questions regarding your water quality or these notices, please contact the City of Beloit Water Utility at 608-364-2888.

Arbor Day Tree Planting

This year marks the 150th anniversary of Arbor Day; the City of Beloit has been recognized as a Tree City USA by the National Arbor Day Foundation for 35 years.

Today the City of Beloit celebrated Arbor Day by planting a Swamp White Oak behind Beloit Memorial High School. In attendance were members of their Environmental Club; two students spoke of the importance of the club and of earth day. Thank you for sharing your thoughts and insights!

No Mow May Follow-Up

"No Mow May" is a conservation initiative that encourages people to stop mowing or mow less often for the month of May to create habitat and provide resources for bees and other early-season pollinators.

During the month of May, the City of Beloit "long grass" ordinance is relaxed to allow City residents to delay or reduce lawn cutting as a way to promote pollinator-friendly habitat early in the growing season.

Participants are asked to register online or in-person and display their City issued "No Mow May" sign. Please call the Community Development Department to register at 608-364-6650 or send an email to permits@beloitwi.gov.
