**KEEP GRASS CLIPPINGS OUT OF THE STREET**

Why:

- Keep storm drains clear
- Safer for motorcyclists, bikers and runners
- Protect our natural waterways

[www.beloitsolidwaste.com](http://www.beloitsolidwaste.com)

Please do your part to help keep the City of Beloit, streets, rivers, ponds and streams healthy and beautiful by properly disposing of lawn clippings.

Allowing clippings to decompose on the lawn helps to introduce nutrients back into the soil, but nutrients in grass are bad for our water systems.

Motorcyclists and bicyclists will also thank you for keeping clippings out of the streets.
