### **Community Invited to Provide Feedback Recreation Programming Needs**

**June 7, 2023** - The community is invited to provide feedback on recreation programming needs in our city.

The City of Beloit is looking to allocate \$250,000 in American Rescue Plan Act funding to local non-profits to provide recreation programming. The application process and timeline has not yet been developed.

The Park, Recreation, and Conservation Advisory Commission (PRCAC) will hold two listening sessions related to recreation programming needs in the community. The intent is to formulate the application and selection criteria for this grant funding opportunity.

Input can be provided during the two following public meetings:

- Regularly scheduled PRCAC meeting at 6:30 pm Wednesday, June 14, at Edwards Ice Arena in Telfer Park, 2101 Cranston Road.
- Public meeting at Vernon Park, 934 Vernon Ave. Meeting begins at 6 p.m. Wednesday, June 28, with input on possible improvements for the park. Input on the non-profit recreation grants is scheduled to start at 7 p.m.

If you are unable to make the meetings, feedback can be submitted to Director of Parks & Recreation Matt Amundson at [amundsonm@beloitwi.gov](mailto:amundsonm@beloitwi.gov).
