## Free NARCAN® Vending Machine Now Available at Beloit Public Library

Thanks to the collaboration of several agencies and a \$50,000 grant from the state's Opioid Settlement Funds, Beloit now has access to free NARCAN® and fentanyl test strips via a vending machine located at Beloit Public Library.

This is Rock County's second such machine; the first was installed at the Rock County Jail in December of 2022.

The vending machine will be accessible any time the library is open: 9:30 a.m. - 9:00 p.m. Monday - Thursday and 9:30 a.m. - 5:30 p.m. Friday through Saturday. On weekdays, the front doors are unlocked at 7:00 a.m. to provide access to the bathrooms, Blender Cafe, and gallery where the vending machine will be located.

Community Action's Merrill Community Center and the City of Beloit are proud to host two neighborhood cleanups in August.

The events are intended to help provide opportunities for residents to safely dispose of items like old tires (must be off the rim), old computers, televisions 20" or under, and more.

Residents should not bring liquids, furniture, TVs over 20 inches or large appliances as the cleanup cannot accommodate those items.

## Beloit Police Launch Self-Reporting Tool

The Beloit Police Department launched a self-reporting tool for various incidents to create a more efficient use of resources.

Using this online reporting tool will allow our officers to spend more time on patrol-related duties instead of taking calls for service that can be reported online. The reports will be reviewed daily by the department and an officer will follow up with the reporting party when necessary.

Visit <https://beloitselfreport.azurewebsites.net/> to directly access the tool. A link is available on [www.beloitwi.gov/police](https://www.beloitwi.gov/police).
