Winter Weather Awareness Week

Wisconsin winters are great for outdoor activities, but the cold and snow can also pose serious dangers to the safety of everyone in the state. To help Wisconsin residents plan for the months ahead, Gov. Tony Evers has declared Nov. 13-17 Winter Weather Awareness Week in Wisconsin.

Staying informed is a critical part of being prepared for winter. Make sure to check in

with the National Weather Service and other trusted local sources daily for forecasts. If heavy snow or ice is expected, prepare by stocking up on additional supplies, make sure you have an emergency kit at home and in your vehicle, and have a plan for what to do if you lose power at home.
