Reminder: Recycling Drop Off Center Closed on July 6th

The City of Beloit announces the following impacts to service due to the Independence Day holiday:

- Recycling Drop Off Center, 2351 Springbrook Court, will be closed on Saturday, July 6

Demolition to Begin on 80-100 East Grand Avenue

A project to demolish the building at 80-100 East Grand Avenue started this week. Initially work will be completed on the interior of the building, with no impacts to traffic. Starting in late July or early August, the demolition will begin. During that first phase of demolition, the Grand Avenue bridge will remain open to traffic, but parking will be closed on the

bridge.

Why is the building being demolished? The Wisconsin Department of Natural Resources (WDNR) requires that the structure be removed, and there is extensive damage to the underwater structure.

The City was awarded a Municipal Flood Control Grant and a Stewardship Local Assistance Grant by the WDNR to assist with funding the project in support of removal of the structure from the Rock River. The project will decrease flood elevations upstream and promote outdoor recreation with the extension of the Rock River Trail/Downtown Riverwalk. The City of Beloit is funding \$500,000 for the riverwalk extension; however, no city funds are being used to demolish the building. A local grant match is being provided by the developers of the property.

Future private redevelopment is planned for the site.

Leave Fireworks to the Experts

Summer and Independence Day usually includes barbecues, sparklers and fireworks. The Beloit Fire Department wants everyone to enjoy the 4th of July while remaining safe.

In terms of fireworks, the Beloit Fire Department recommends not to use any fireworks at all. Consider safer alternatives to celebrate. Class III fireworks may be legal; however, no firework is really safe.
