NOTICE OF INTENT TO APPLY FOR EXTERNAL FUNDING

DEPARTMENT: Information Technology

DATE: July 28, 2024

FUNDING SOURCE: Wisconsin Emergency Management

NAME OF GRANT: State Local Cybersecurity Grant Program

AMOUNT OF PROPOSED GRANT: $40,000

LOCAL MATCH REQUIREMENTS: NONE

PURPOSE OF GRANT: This grant will boost the city's cybersecurity initiatives. The City of Beloit is looking to purchase multi-factor authentication (MFA) or two-factor authentication (2FA) devices, as well as email phishing and security training/testing for all staff.   MFA and MDR help safeguard sensitive information and prevent unauthorized access to accounts and personal data
