U.S. Navy Announces USS Beloit Commissioning Date, Location

October 21, 2024 – The USS Beloit will be commissioned in Milwaukee, Wis., on Saturday, November 23, 2024, the U.S. Navy announced today.

The USS Beloit Commissioning Committee has been preparing for the Commissioning Week events. Over \$400,000 has been raised, which will help support the costs of Commissioning Week activities and build a health legacy fund to serve the crew's greatest needs.

The legacy fund has already funded needs like Internet hotspots to improve connectivity while the littoral combat ship is docked in Marinette, Wis.

Information about ticket requests for the commissioning will be shared soon. Visit www.ussbeloit.org to stay up to date with the latest commissioning news. Donations are still being accepted at www.ussbeloit.org.
