February Wrap Up

Snow Golf at Krueger-Haskell Golf Course was a blast! More than 50 golfers tee'd off the season the last weekend in February! Thank you to all participants, we look forward to planning Snow Golf events next winter.

Special Olympics 2010 was another huge success for athletes, friends and families. Local hockey teams gathered at the Edward's Ice Arena on Saturday, February 20, for a common cause of "good". Beloit Memorial High School and Rock County Fury participated in the opening ceremony, open skate, and chuck-a-puck competition with Special Olympians. The Annual Chill Dinner/Raffle Event also brought hundreds of community members out to support Beloit Special Olympics.
