

CHAPTER 17 - REGULATION OF SOLID WASTE ¹¹

(17) HAULER SPECIFICATIONS FOR RECYCLABLE MATERIALS.

- (a) No hauler who collects recyclables that have been separated from other solid waste and properly prepared and placed for collection in the City shall:
 - 1. Place the recyclables in a solid waste disposal facility.
 - 2. Burn recyclables at a solid waste facility or other location.
 - 3. Compact recyclable glass containers during collecting or transportation to a processing facility or to a market.
 - 4. Fail to otherwise maintain recyclable materials in marketable condition during collection or transportation to a processing facility or market.
- (b) Every hauler who collects recyclables in the City shall:
 - 1. Reject and refuse to collect any recyclable material that is not prepared in accordance with subsection (9) of this section.
 - 2. Reject and refuse to collect any solid waste which contains recyclable material commingled with recyclables.
 - 3. Notify the person who generated the solid waste of the reason for rejecting the material.
 - 4. Keep a written record of the rejection, refusal and notification.
 - 5. Make available to the City, upon reasonable notice, the written records required in subparagraph 4. above.

(18) HAULER REPORTING REQUIREMENTS.

- (a) Haulers operating in the City are required to prepare and maintain solid waste records. Haulers shall file written quarterly reports with the City on or before April 30, July 30, October 30 and January 30 of each year.
- (b) Quarterly reports shall include:
 - 1. The amount of solid waste and itemized recyclables collected and transported from the City to landfills or recycling processors respectively.
 - 2. The final disposal date and location of solid waste and recyclable material collected and transported from the City.
- (c) The City Council may revoke the City license of and terminate any City contract with a hauler who fails to file the quarterly reports required by this subsection. In addition, any hauler who fails to file the quarterly reports shall be subject to the imposition of a forfeiture as provided in [§17.20](#) of this chapter.

(19) HAULERS PERMITS.

- (a) No person shall engage in the business of collecting, transporting or disposing of solid waste in the City without first obtaining and possessing an annual permit therefor from the City Clerk. No person shall be eligible to obtain a city permit unless that person either:
 - 1. Has a valid hauler's operating license issued pursuant to § NR 502.06 of the Wis. Adm. Code; or
 - 2. Is exempt under § NR 502.06 from the licensing requirement.

CHAPTER 17 - REGULATION OF SOLID WASTE

- (b) No such permit shall be issued until and unless the applicant therefor shall file and maintain with the City Clerk a certificate of public liability insurance covering all operations of the applicant and all vehicles to be operated in the conduct thereof in the combined single limit amount of not less than \$1,000,000 for bodily injury and for damage to property per occurrence, and workmen's compensation insurance in the amount required by the Wisconsin Statutes. If any policy lapses or is canceled, any permit shall be automatically suspended until renewed or reinstated. The certificate of insurance shall name the City as certificate holder and shall provide that the insurance company will give the City 10-days written notice of cancellation or expiration of the insurance policy.
- (c) The applicant for the permit shall specify in the application the name and address, business location and list of all vehicles. The Director of Public Works shall review and approve the application after the Police Department has inspected the vehicles and verified that the vehicles are in operating condition and in compliance with the equipment requirements of State law and the applicant has complied with the requirements for a permit.
- (d) The applicant shall obtain and furnish evidence of all licenses or permits required by State law prior to issuance of a permit. If any State license or permit lapses or is suspended or revoked, then this permit shall be suspended until the State licenses or permits are reinstated.
- (e) The hauler's permit shall be issued for a period of one year. All permits shall expire on June 30. The applicant shall pay an annual fee to be determined by the City Council for each transportation vehicle to be used for collection, transportation or disposition of solid waste. The permit shall be issued by the City Clerk.

17.20 - PENALTY. (Rn. #1945; Am. #2473)

Any person who shall violate any provision of this chapter or any order, rule or regulation made hereunder, shall be subject to a penalty as provided in [§25.04](#) of this Municipal Code. The penalty for violation of any provision of this chapter relating to hazardous waste shall be double the amount provided in [§25.04](#) of this Municipal Code.
