### **Trash and Recycling Collection – Arctic Blast**

**January 24** - Rock County residents are being encouraged to be ready for significant weather systems that will impact the area over the next several days. Wind, snow and extreme temperatures will create dangerous conditions and hazards for travel, safety and health through next Wednesday.

Due to the extreme weather and high wind speeds, the City of Beloit is encouraging residents not to place their trash and recycling at the curb for collection on the following days; January 27, January 28 and January 29.

As an alternative residents are encouraged to bring trash and recycling to the city's Recycling Drop Off Center, 2351 Springbrook Ct, Beloit WI, Saturday, February 1<sup>st</sup> from 9:00 am to 12:00 pm or hold until the following week on your collection day.

For more information, call the City of Beloit Public Works Operations Division at (608) 364-2929.
